

## annual air temperature at Zasheek station

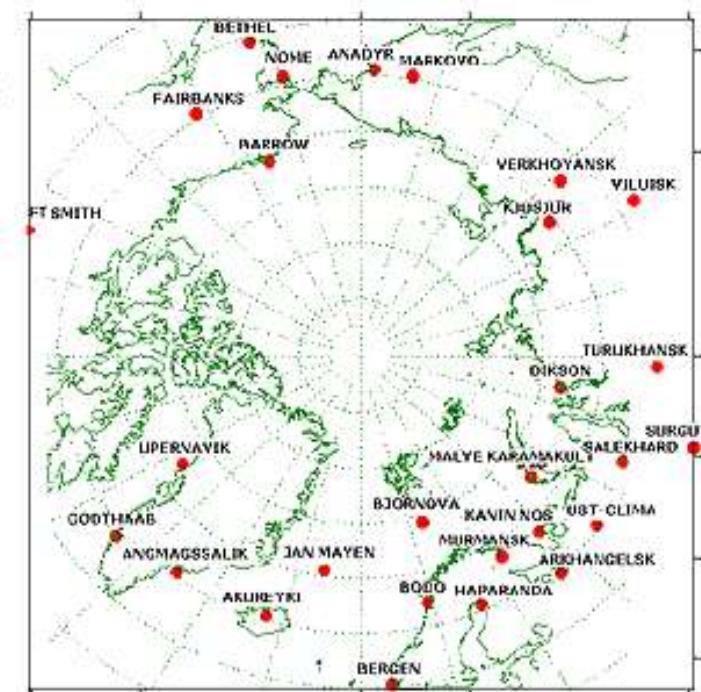

## annual air temperature at Arkhangelsk station

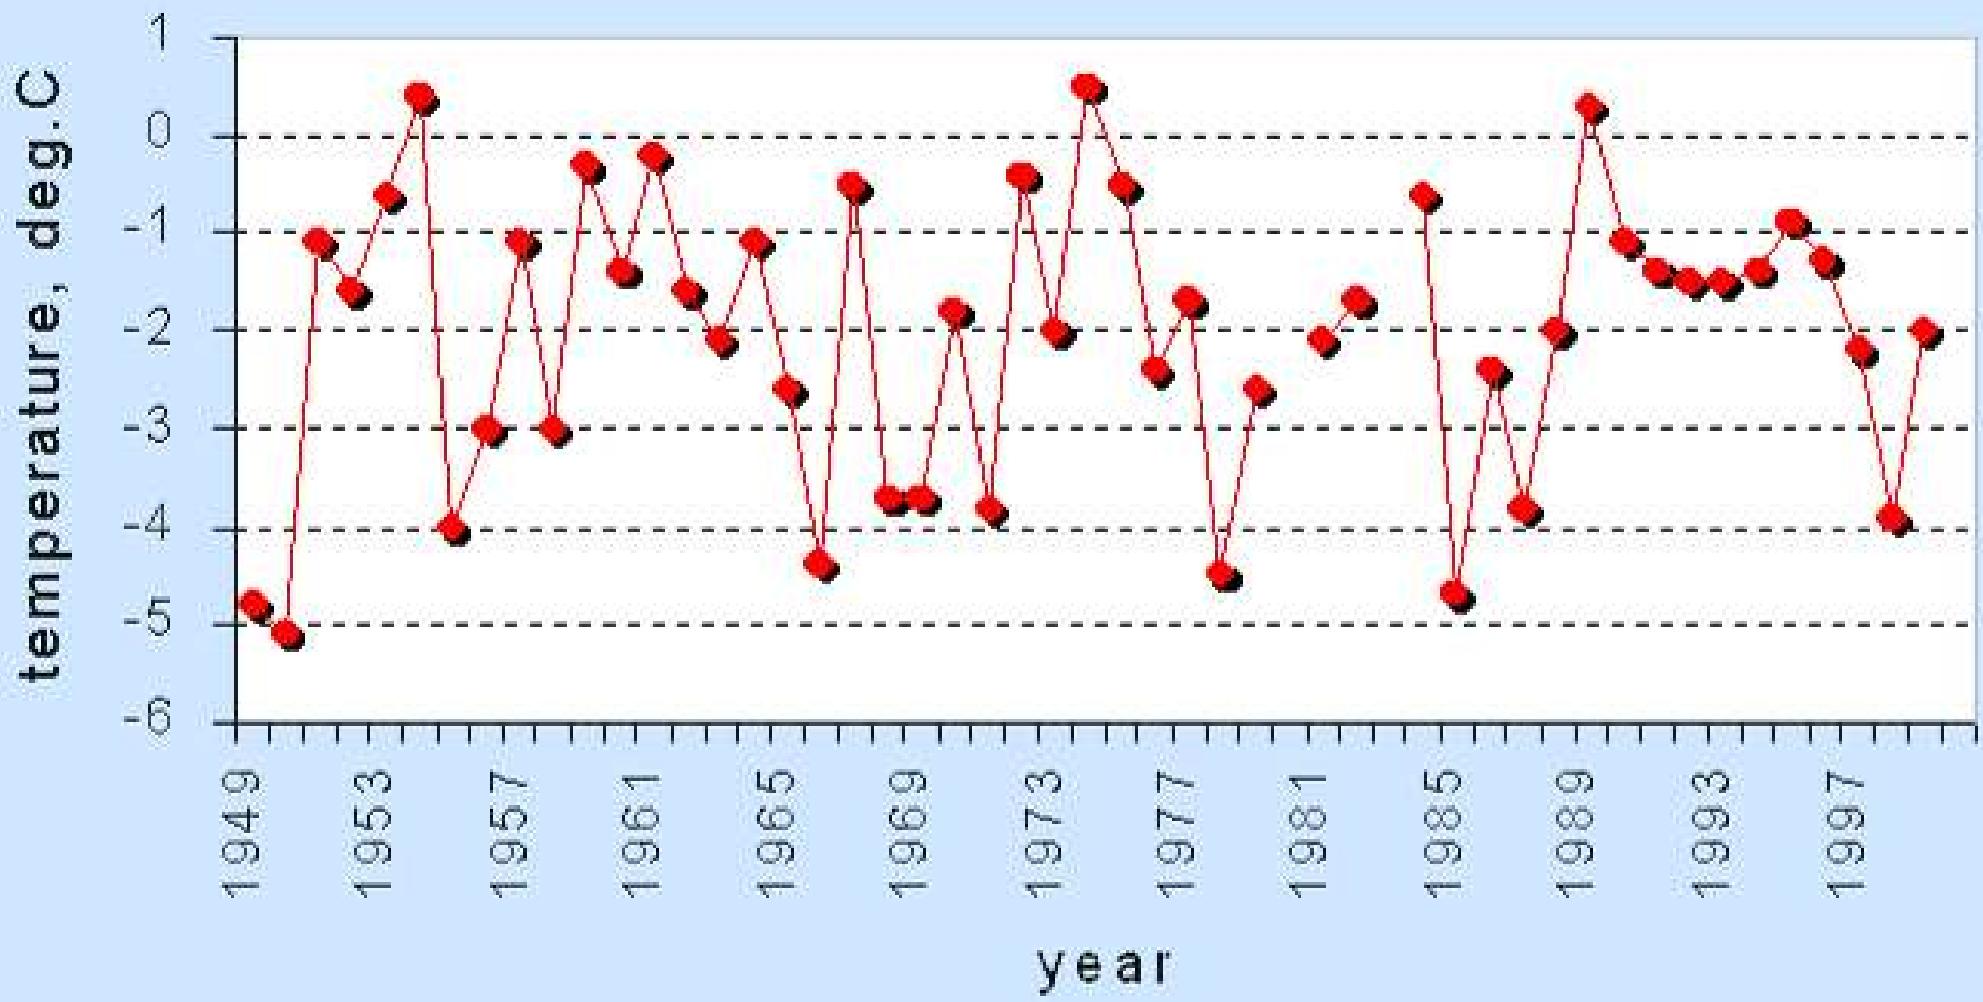

Surface air temperature variability

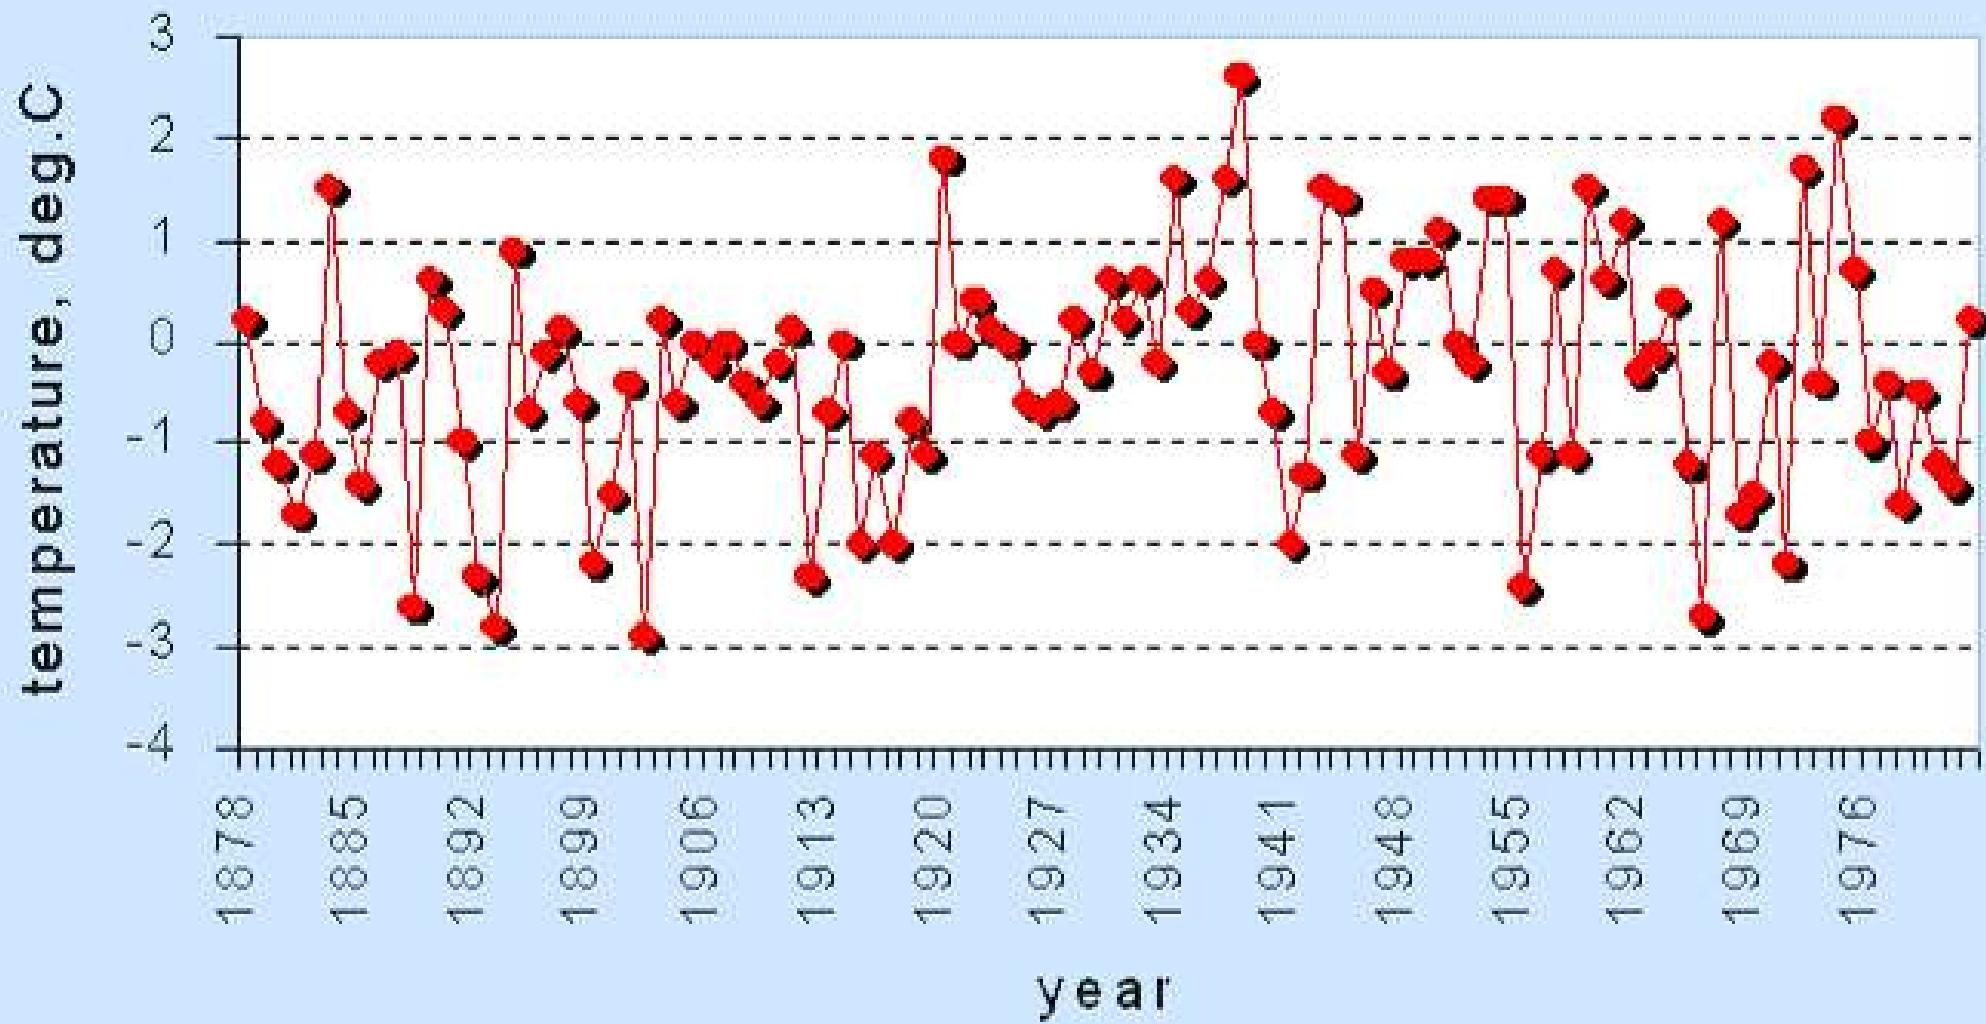

observed from long meteorological time series north of 60°N.

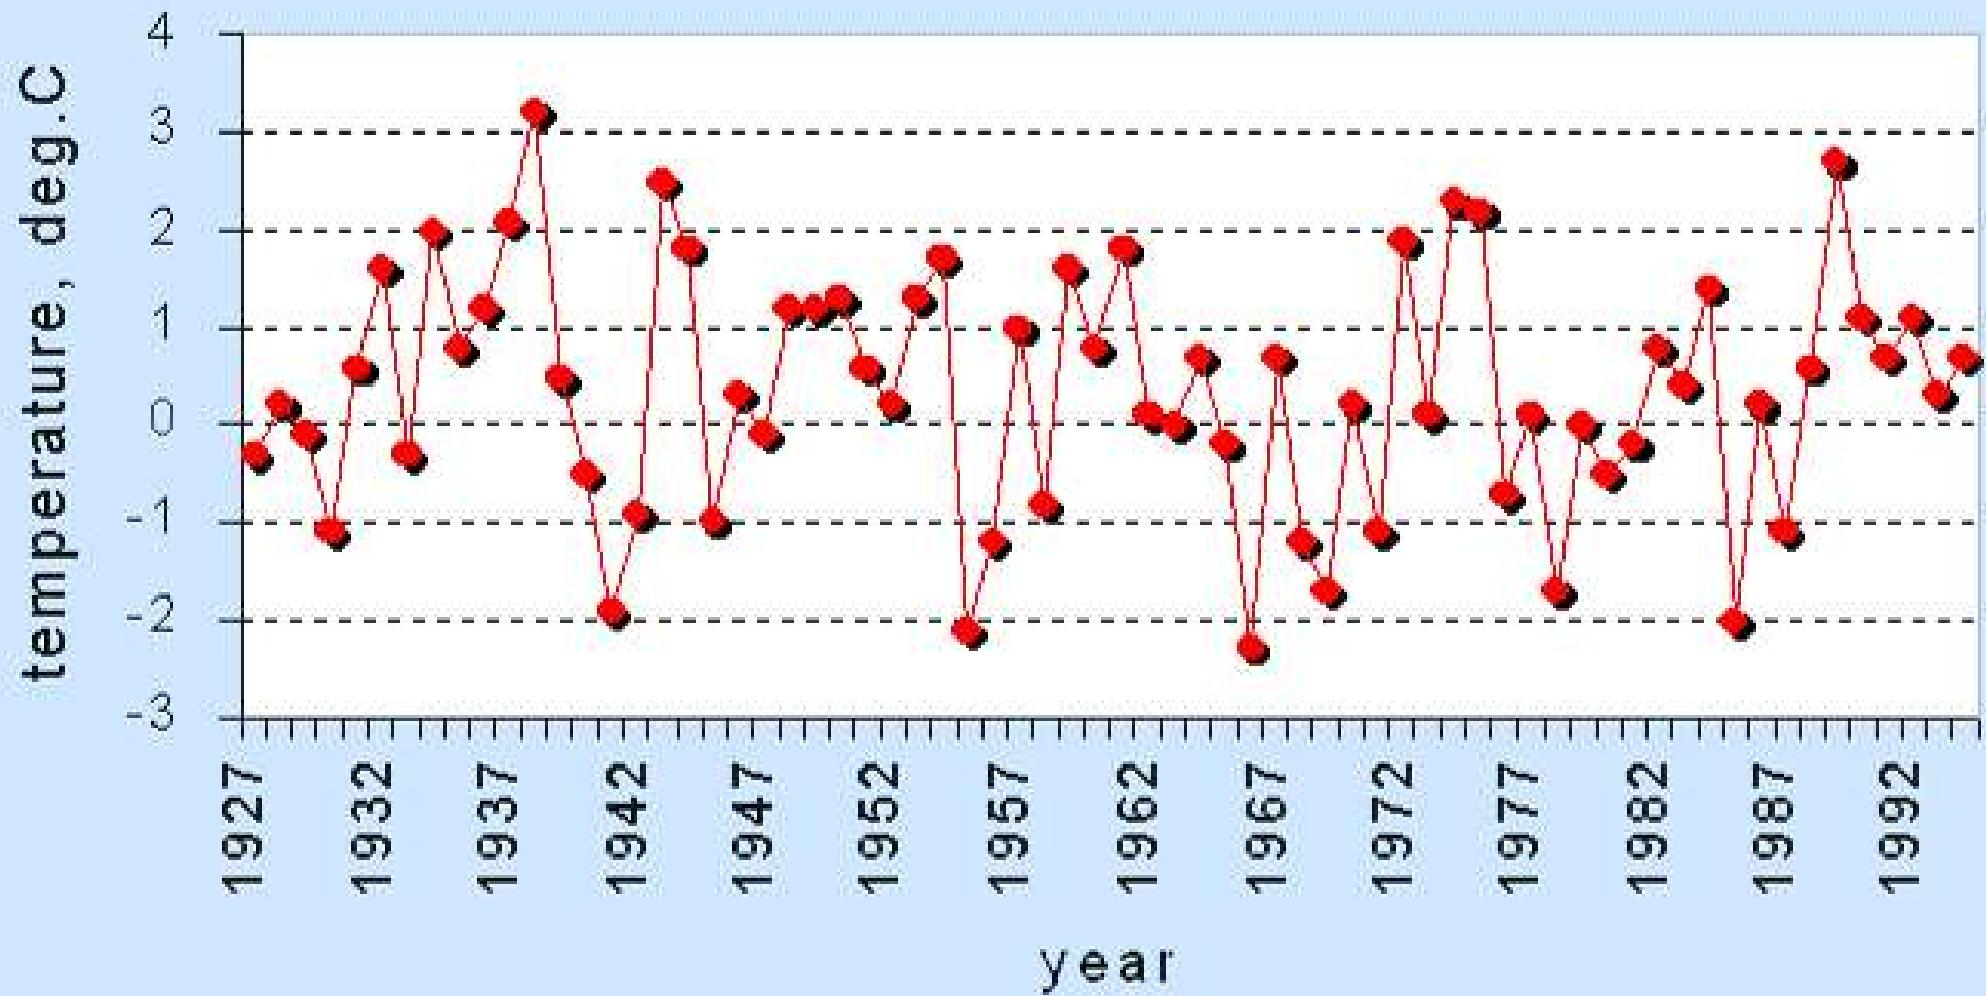

## annual air tempearture at Kanevka station

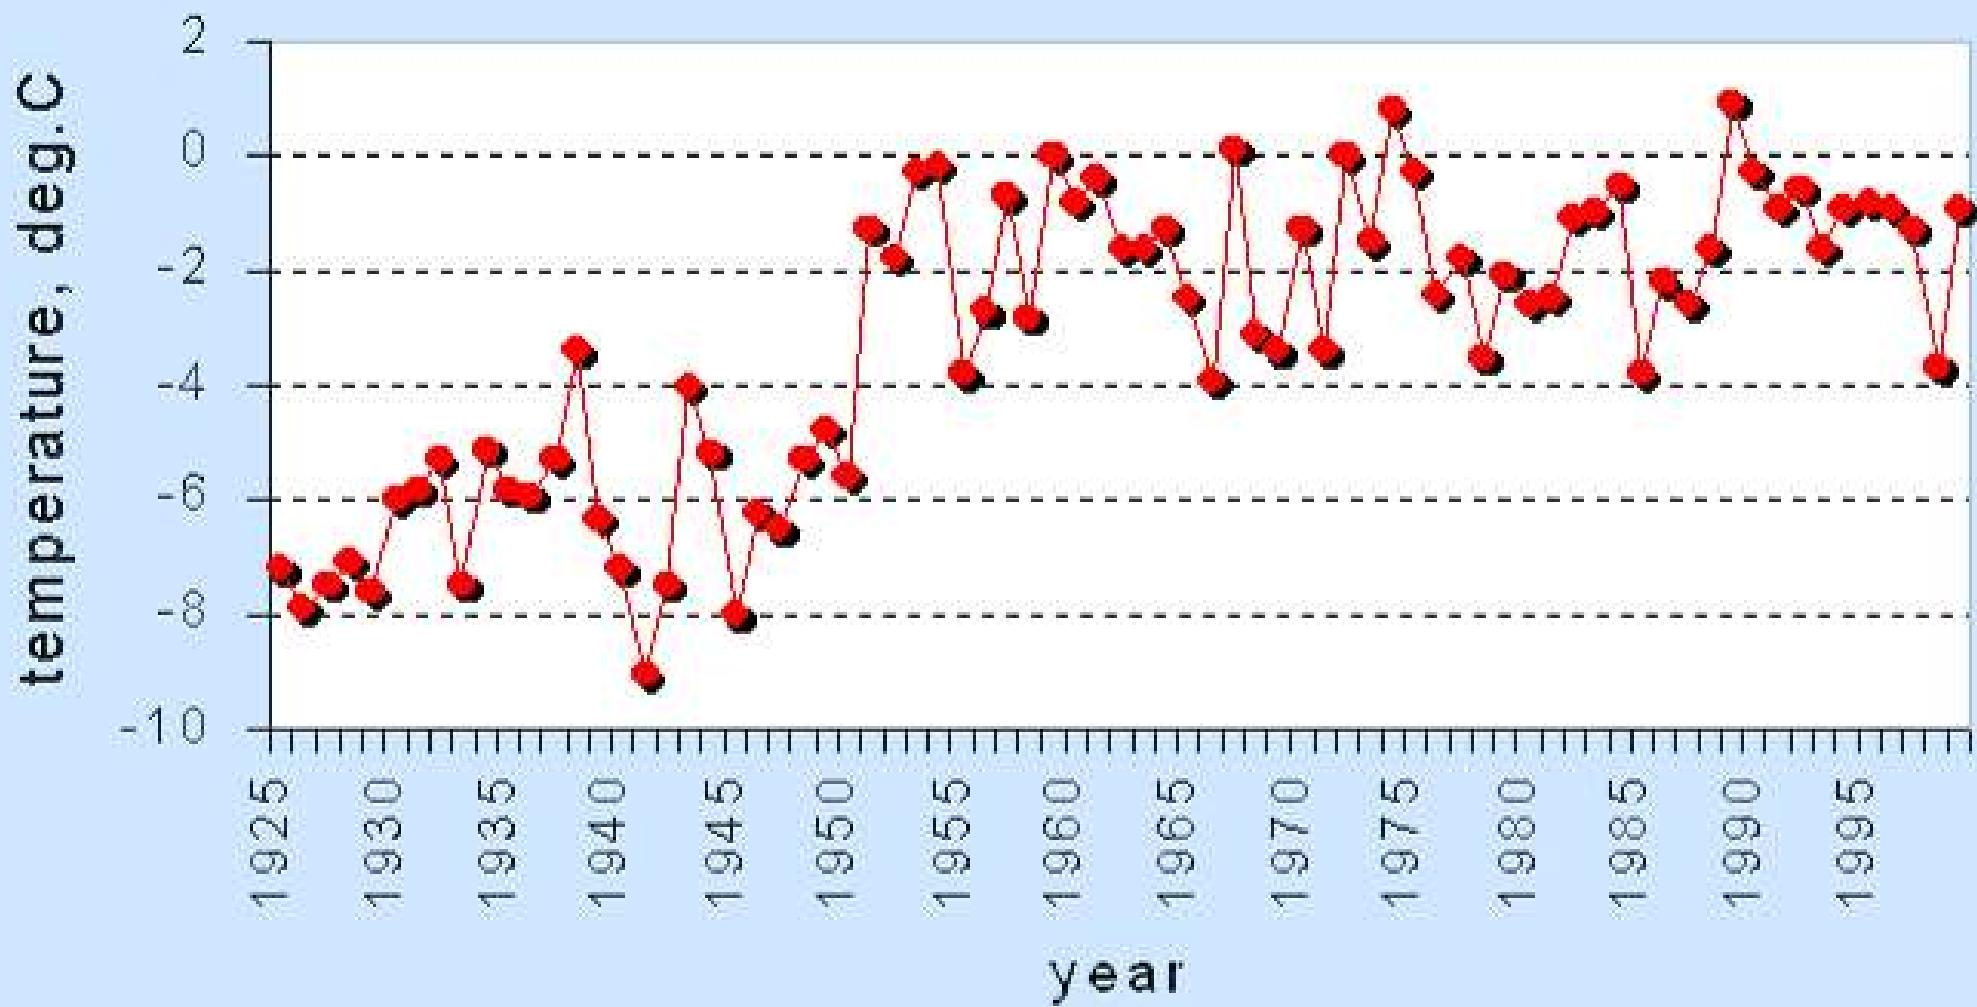

## annual air temperature at Kola station

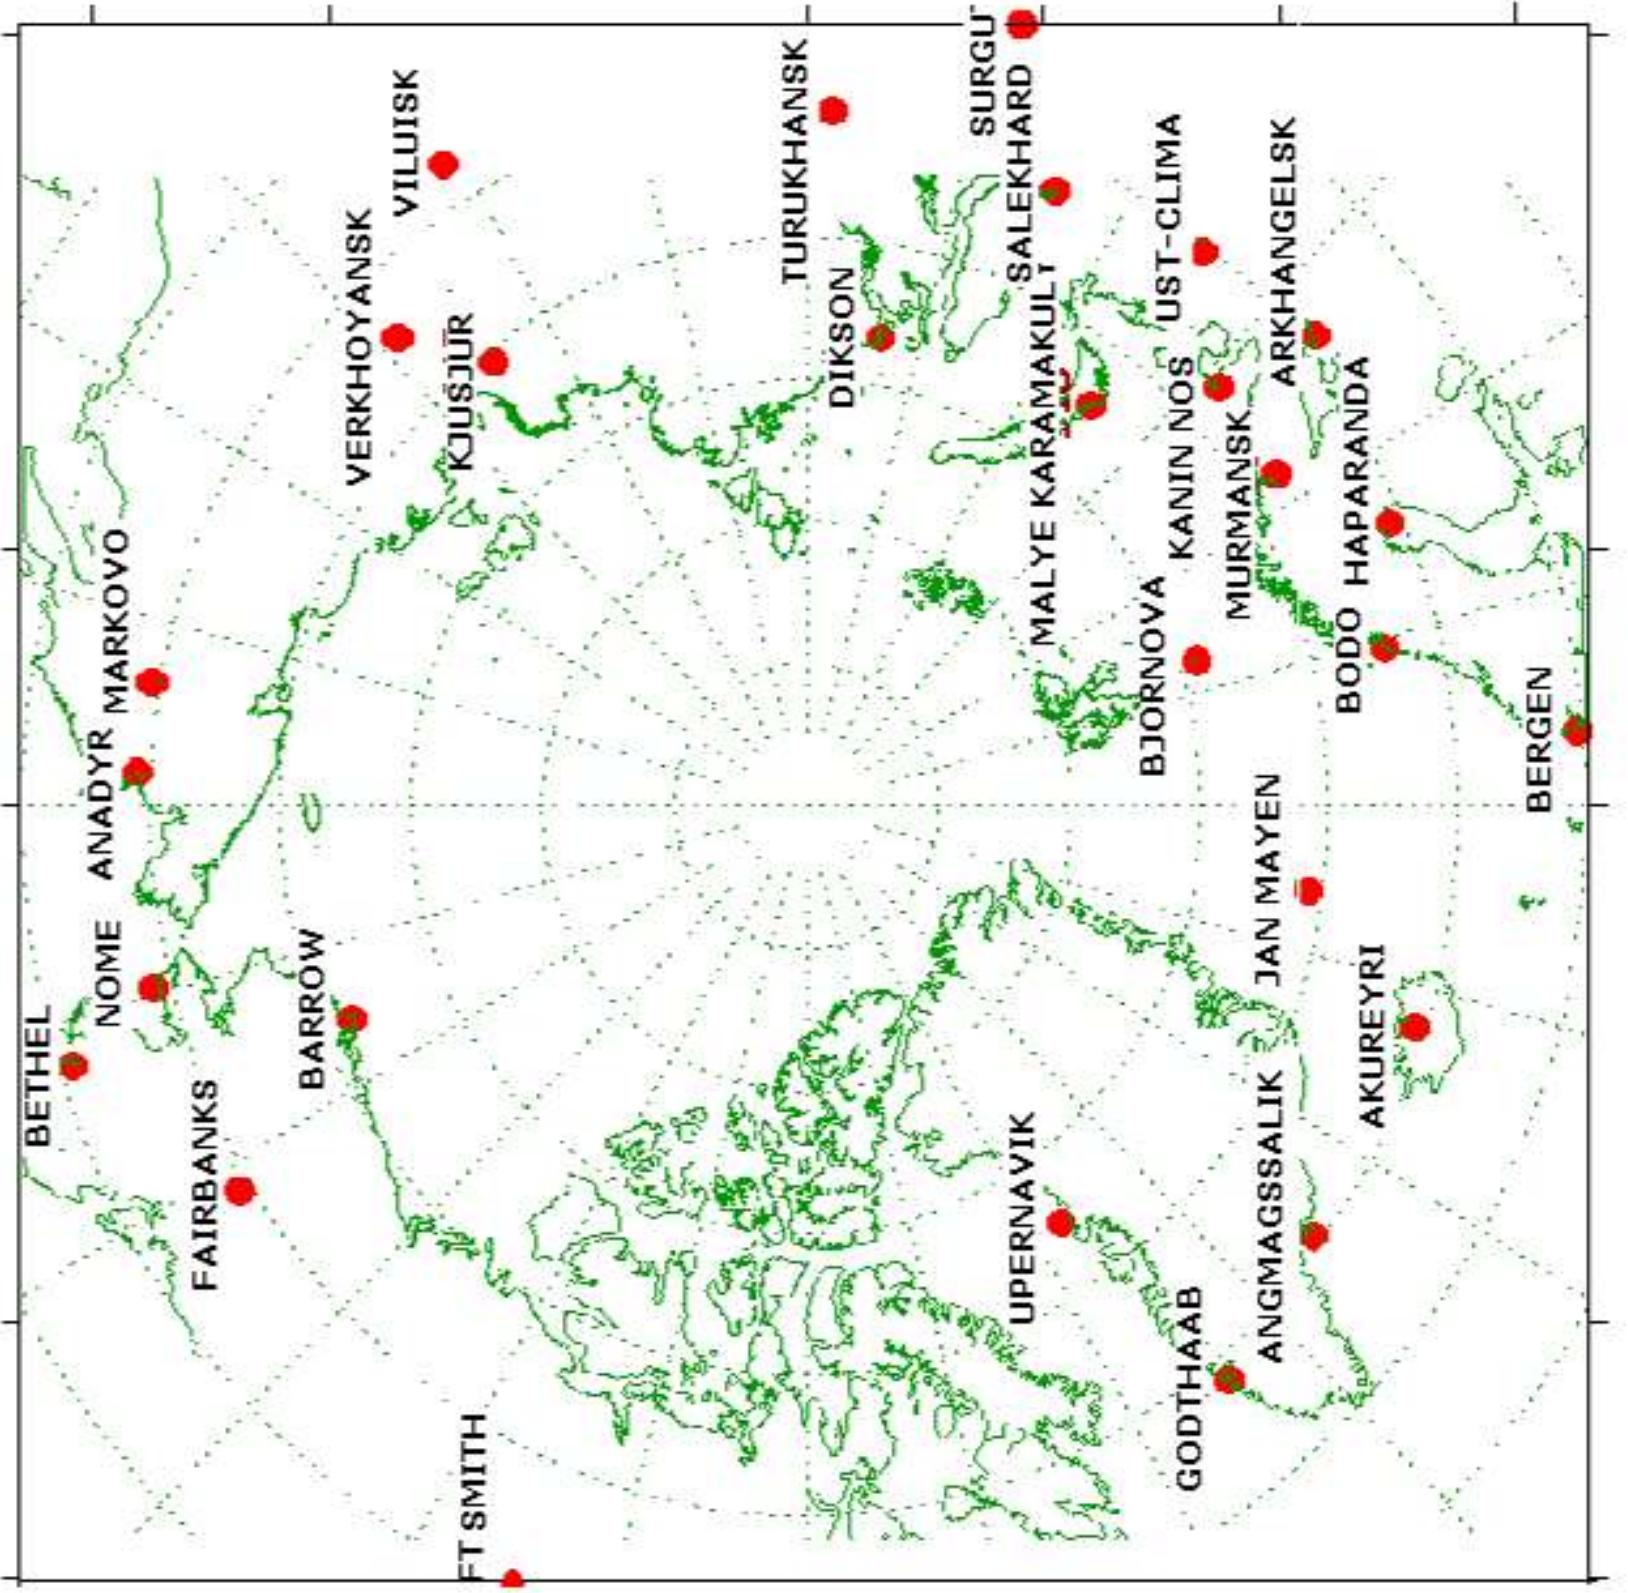

## annual air temperature at Loukhi station

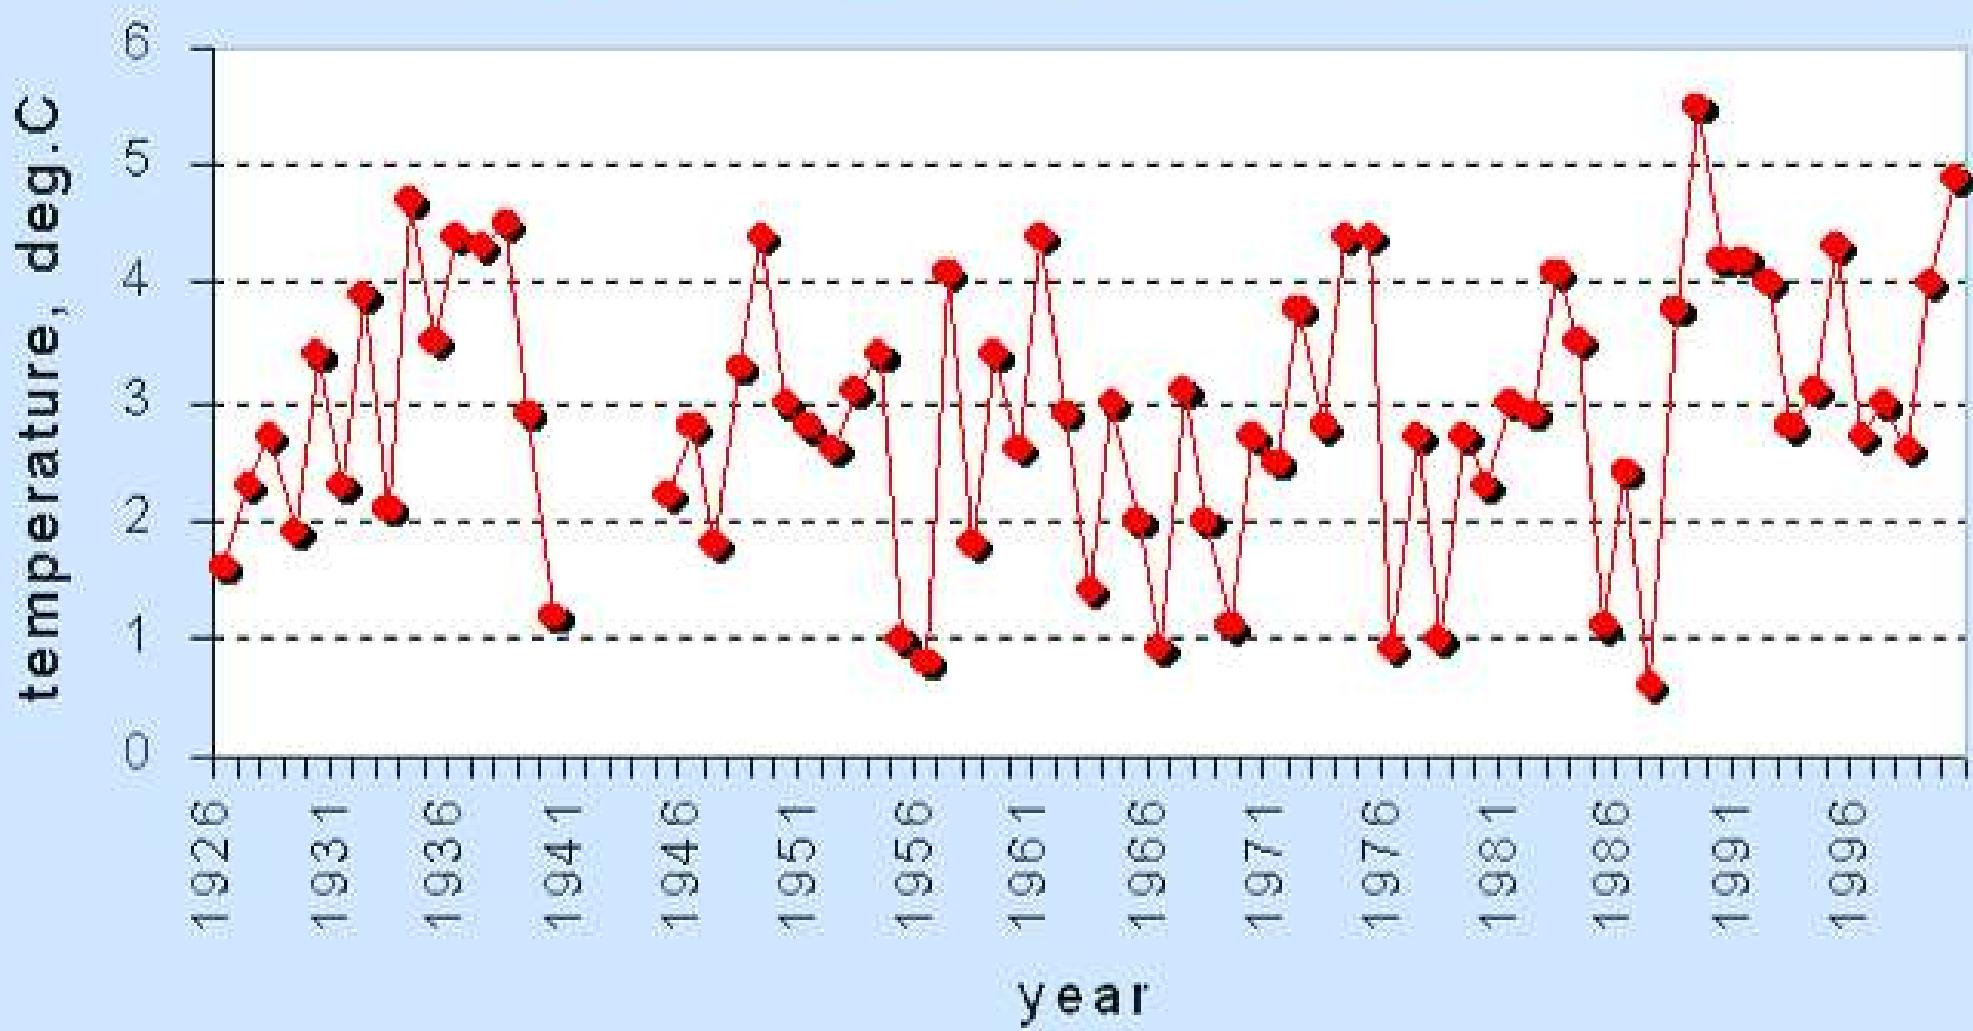

## **annual air temperature at Lovozero station**

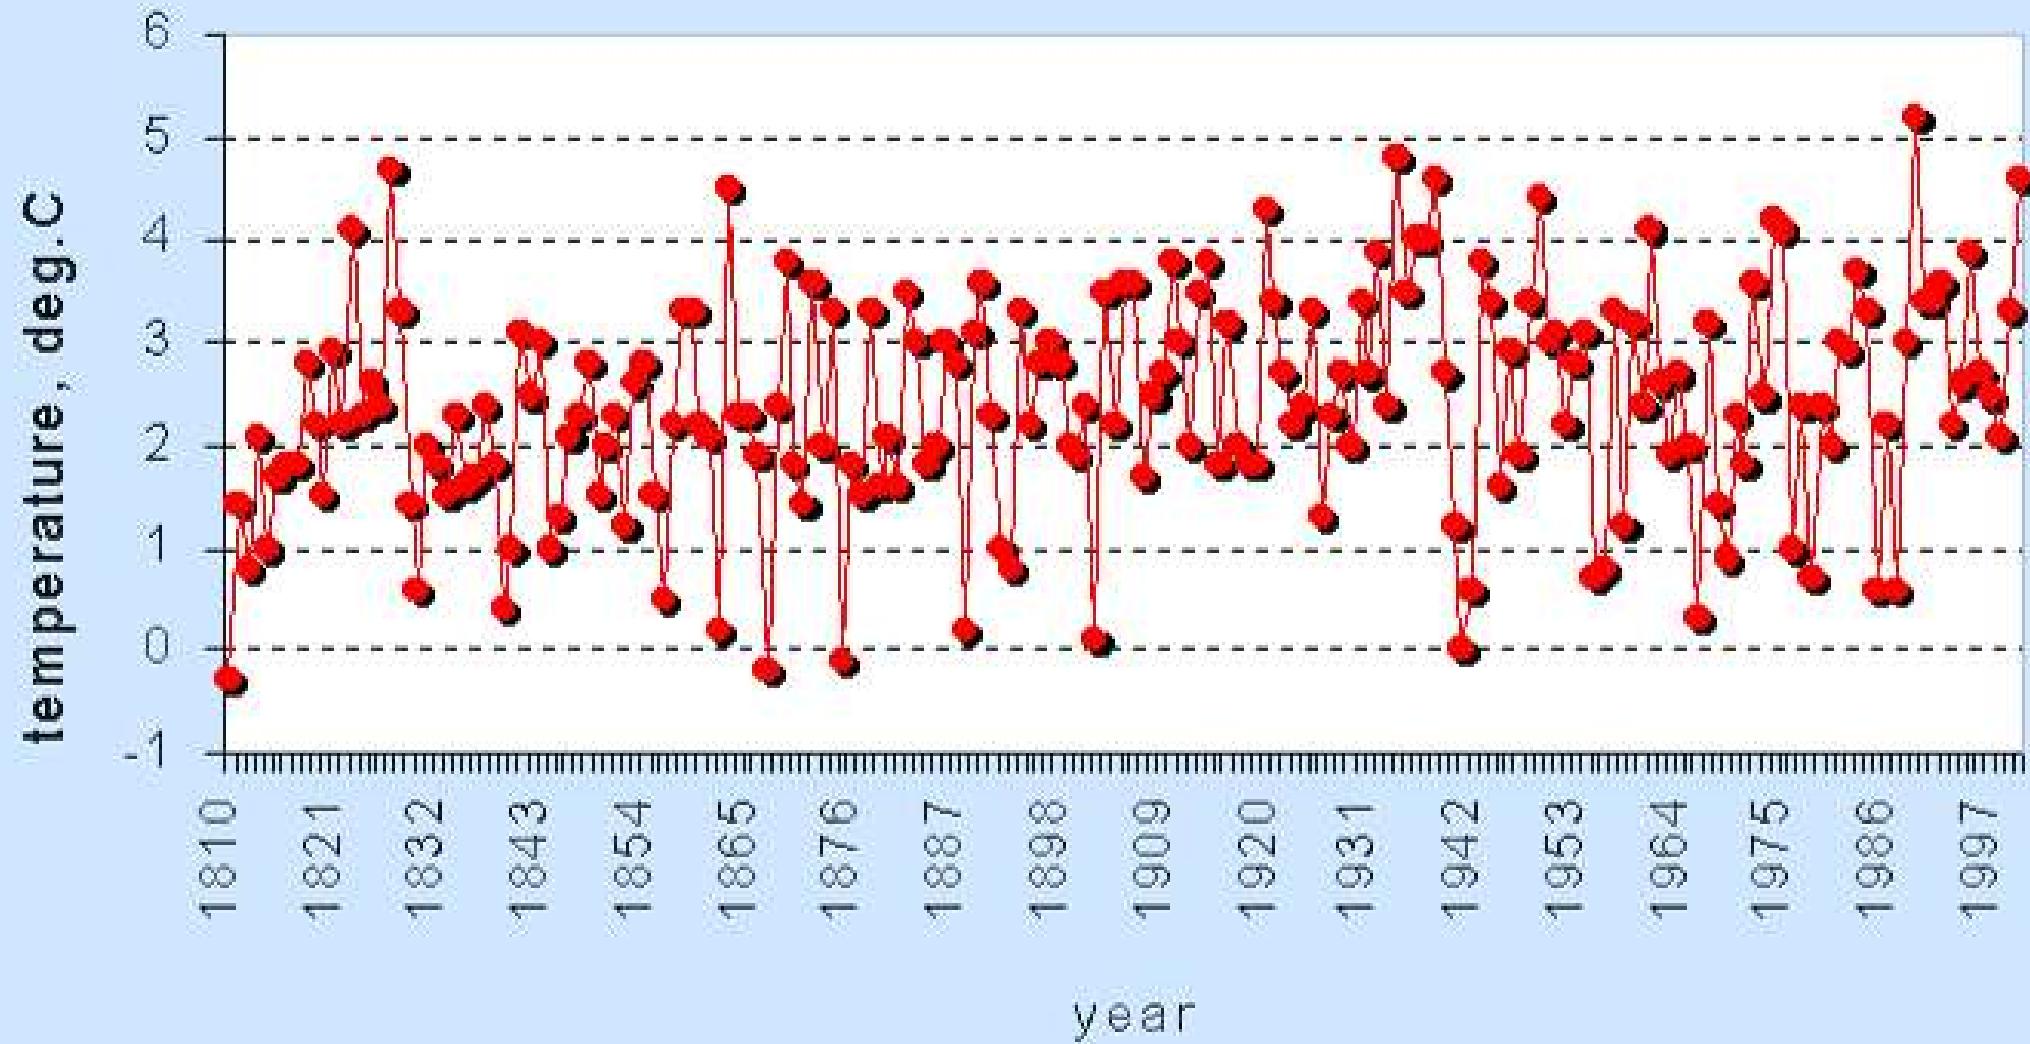

LOCATION OF THE STATIONS WITH LONG PERIOD OF RECORD

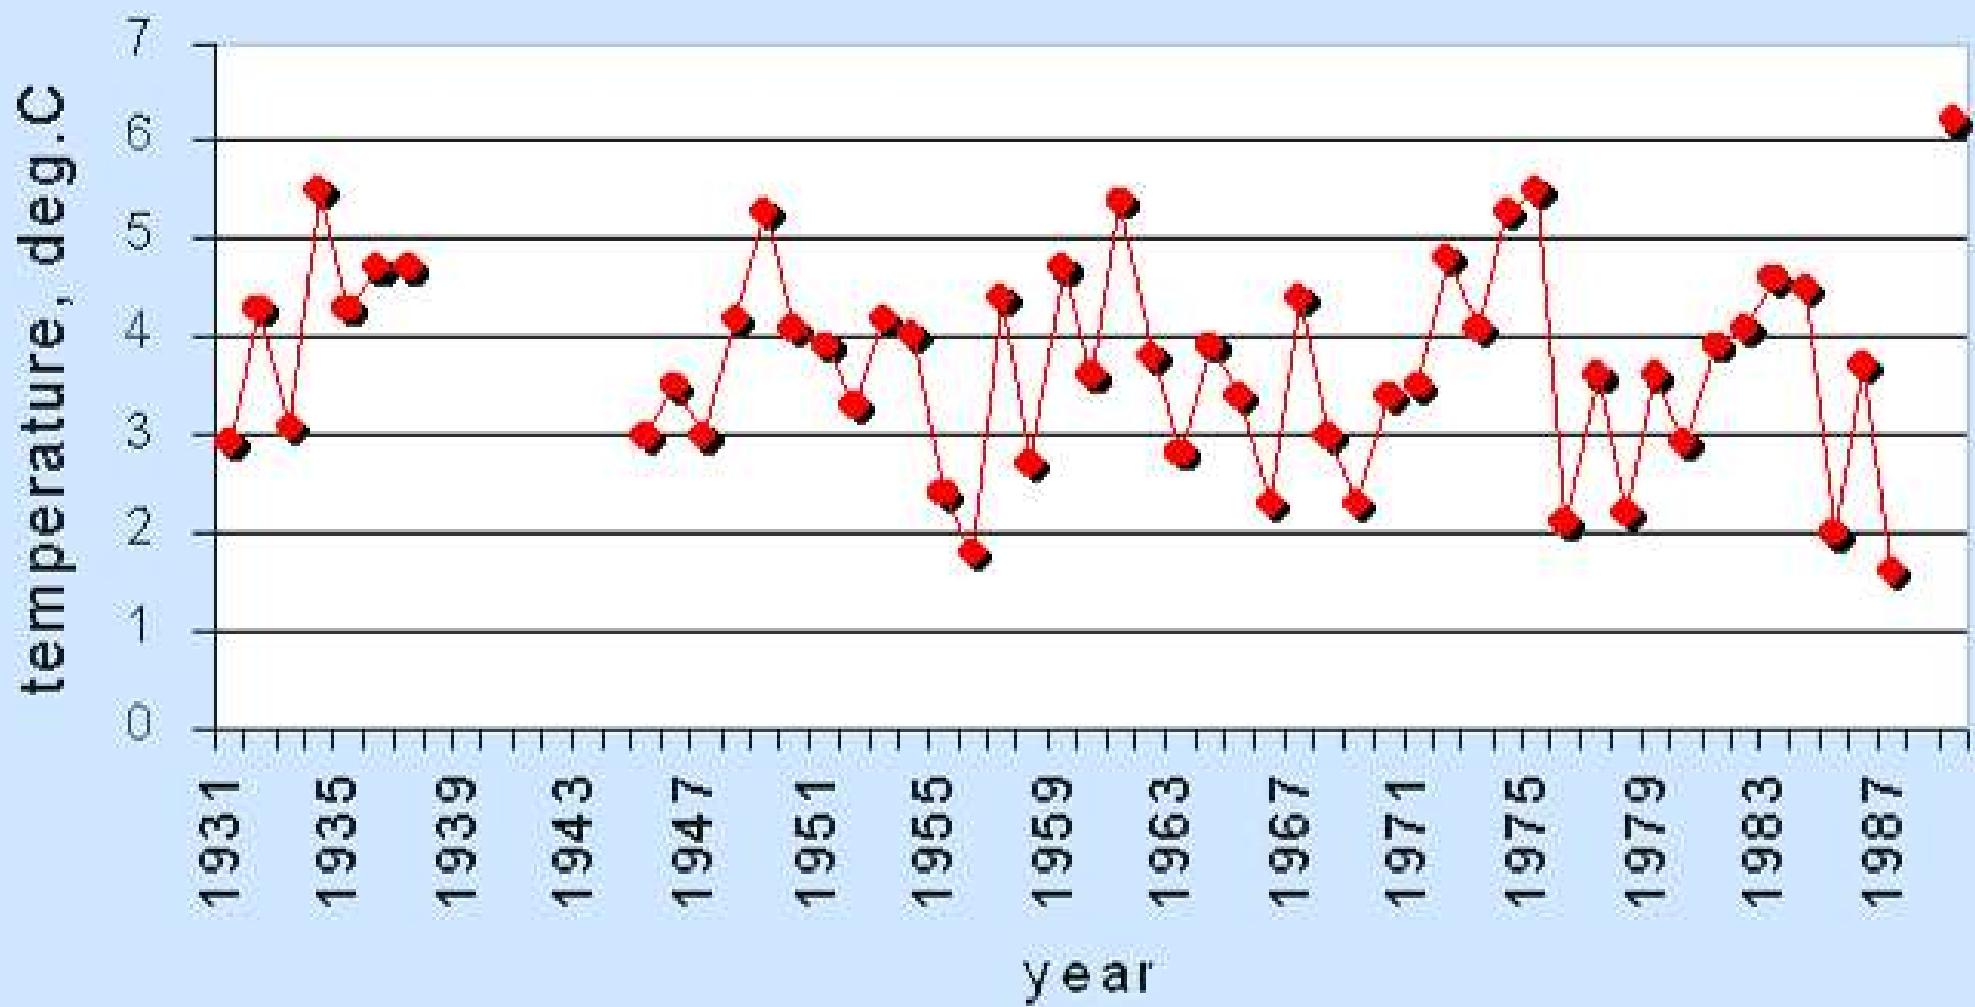

## annual air temperature at Olonetc station

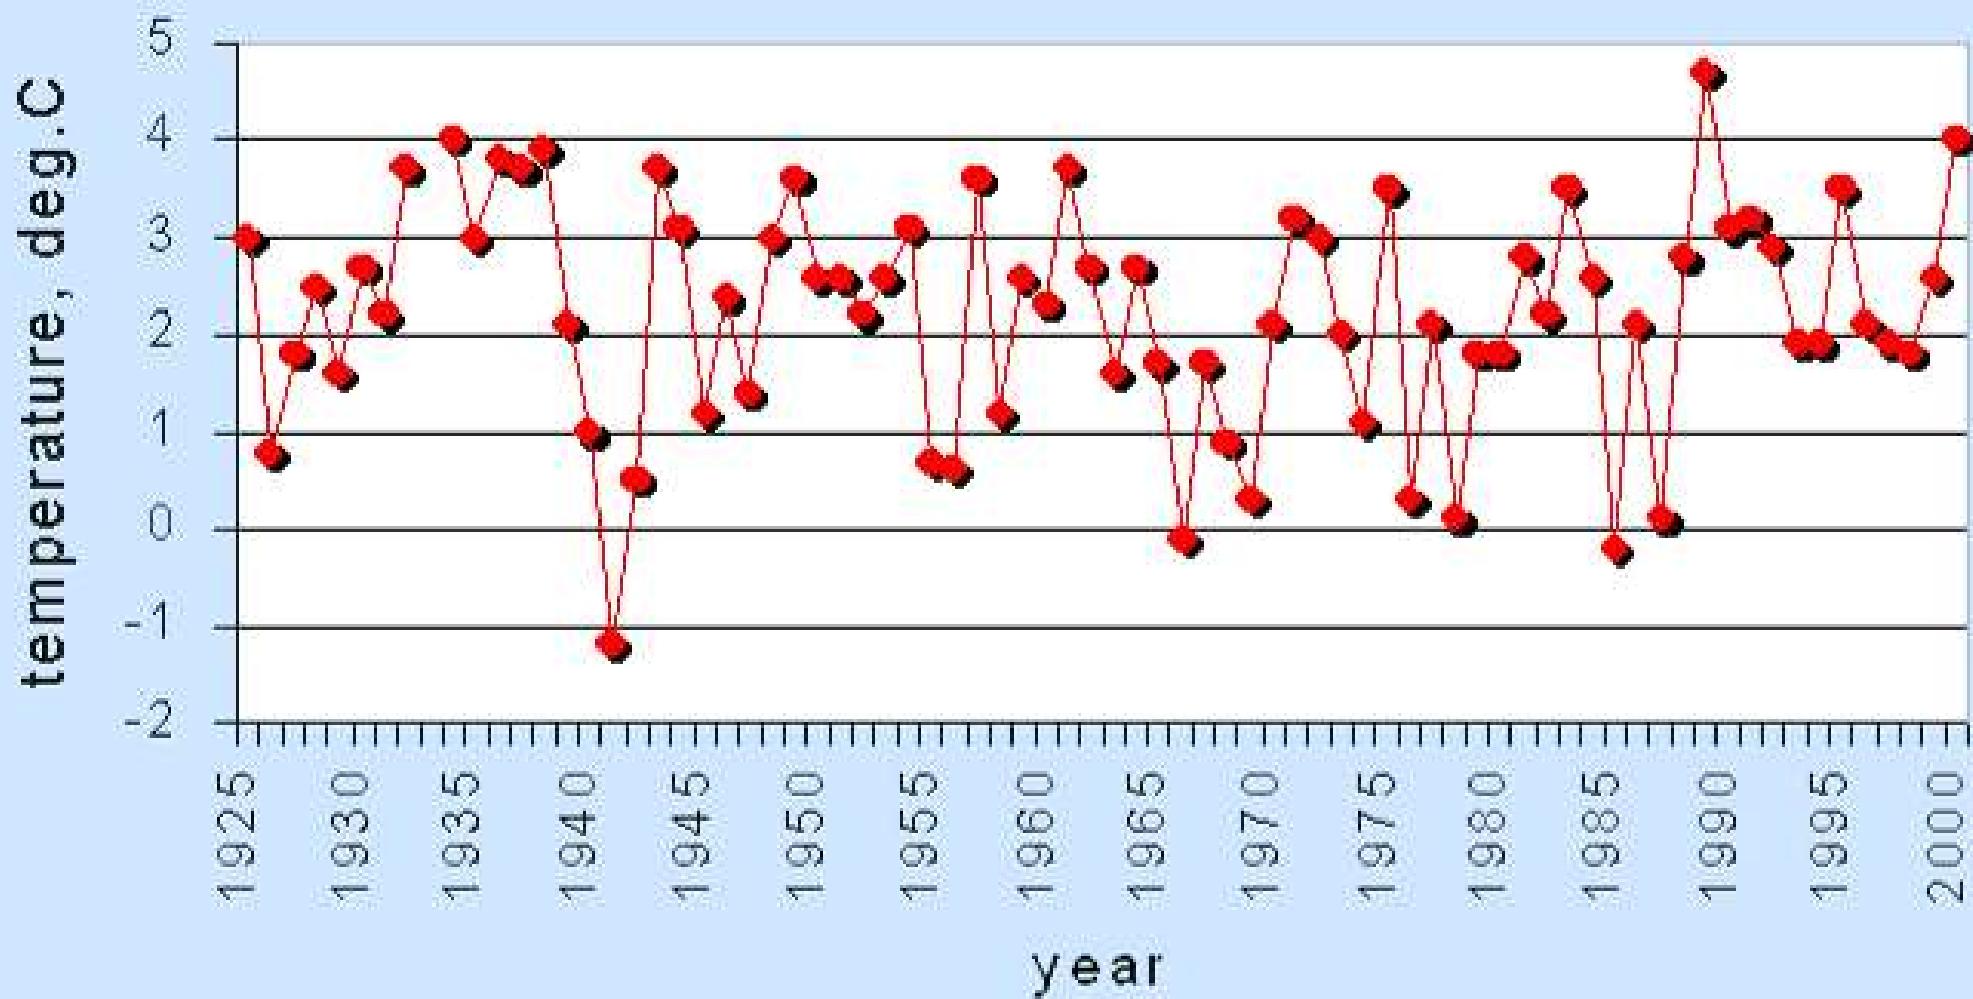

## annual air temperature at Petrozavodsk station

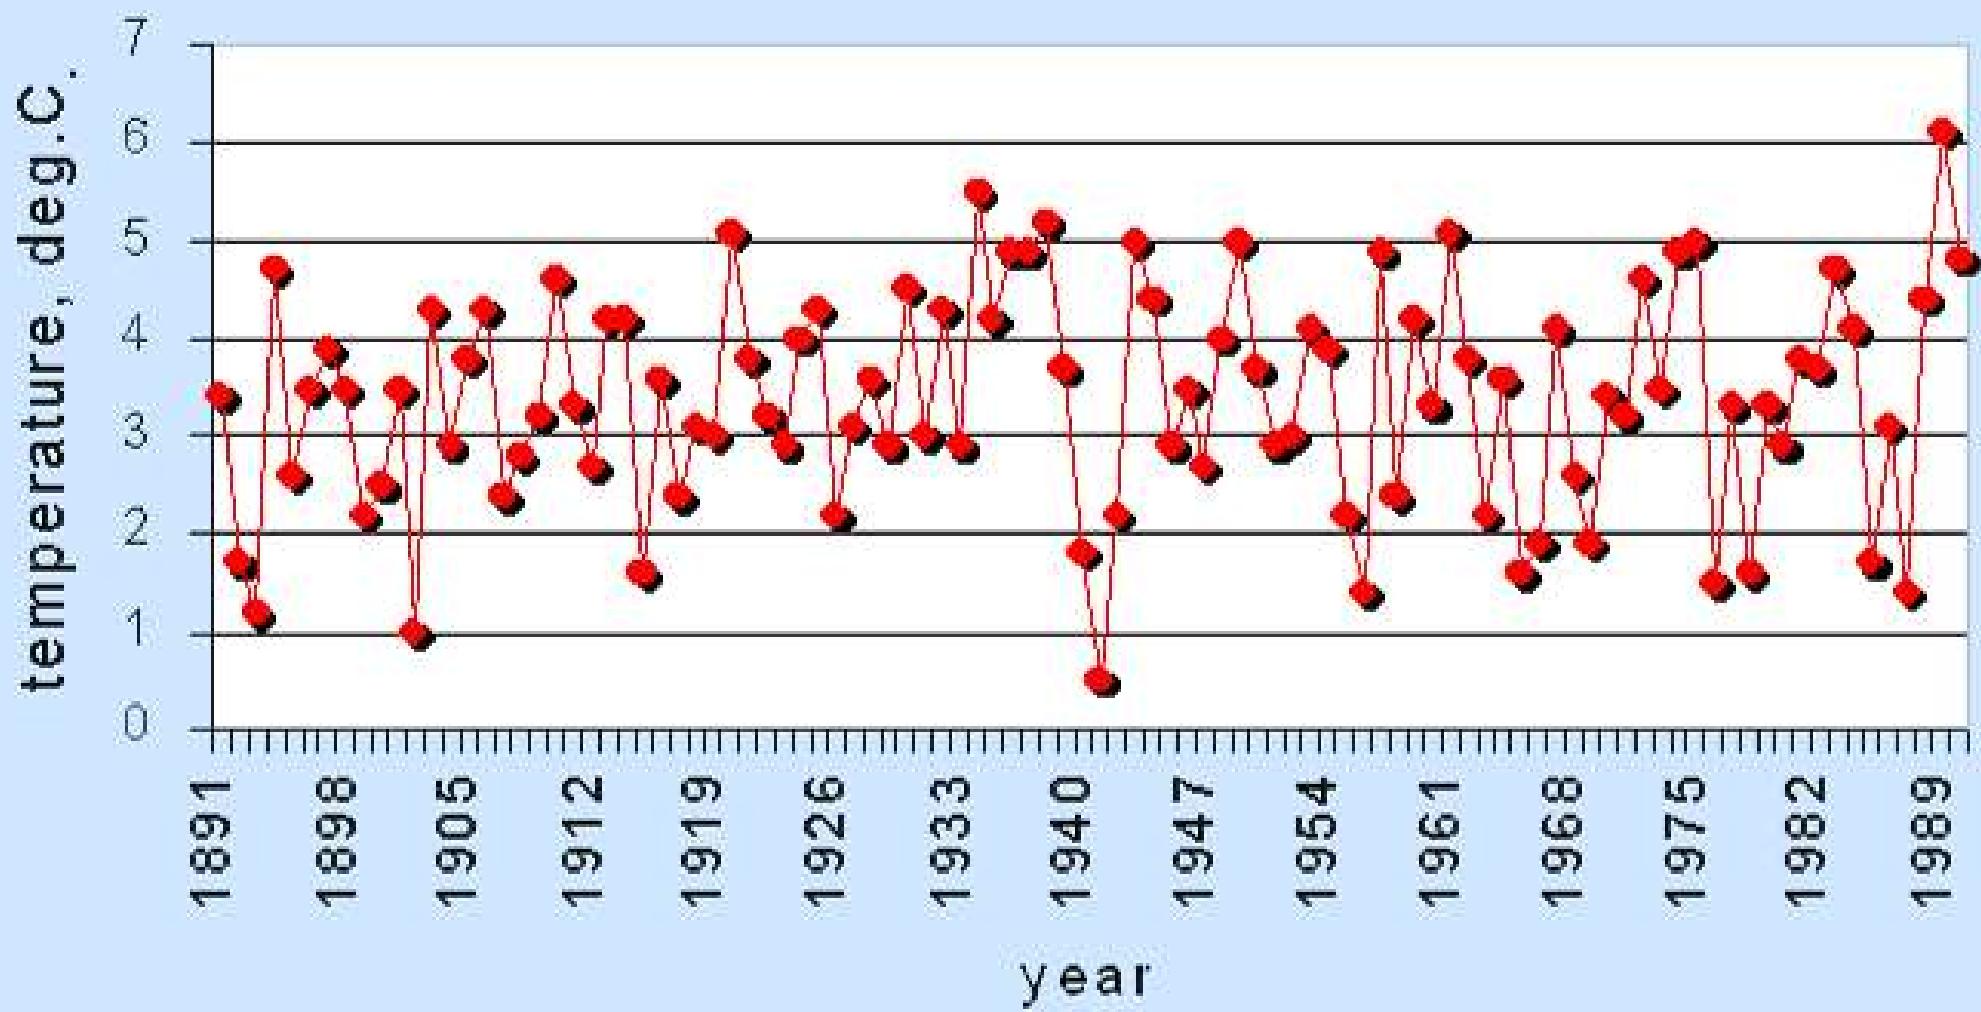

## annual air temperature at Priozersk station

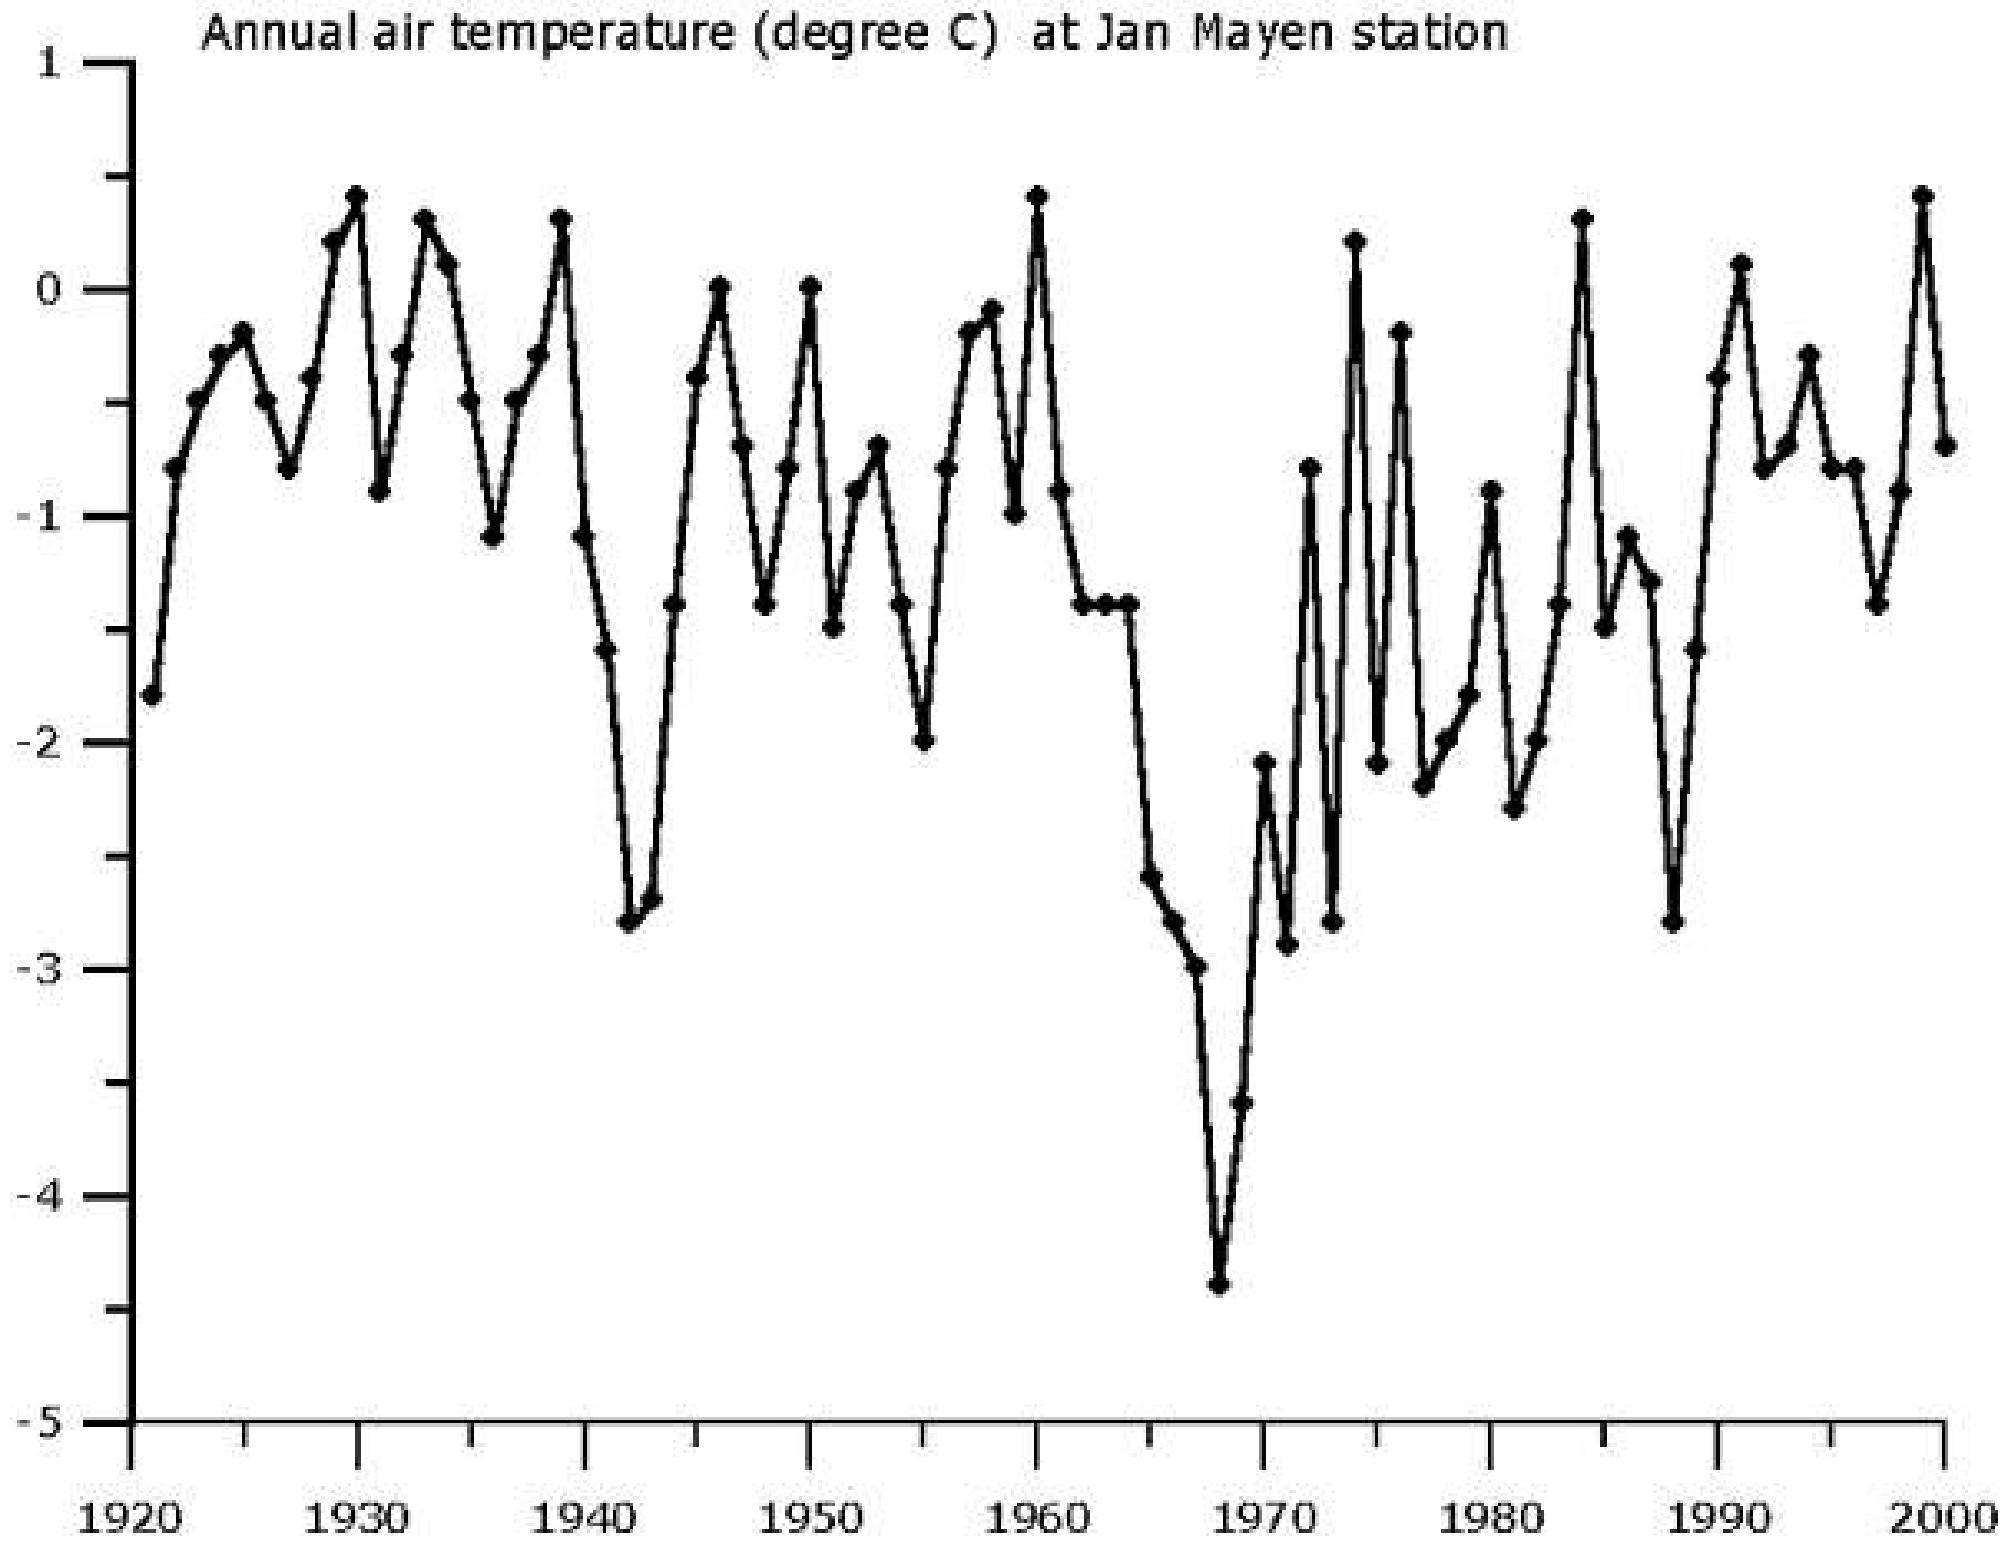

## annual air temperature at Pudozh station

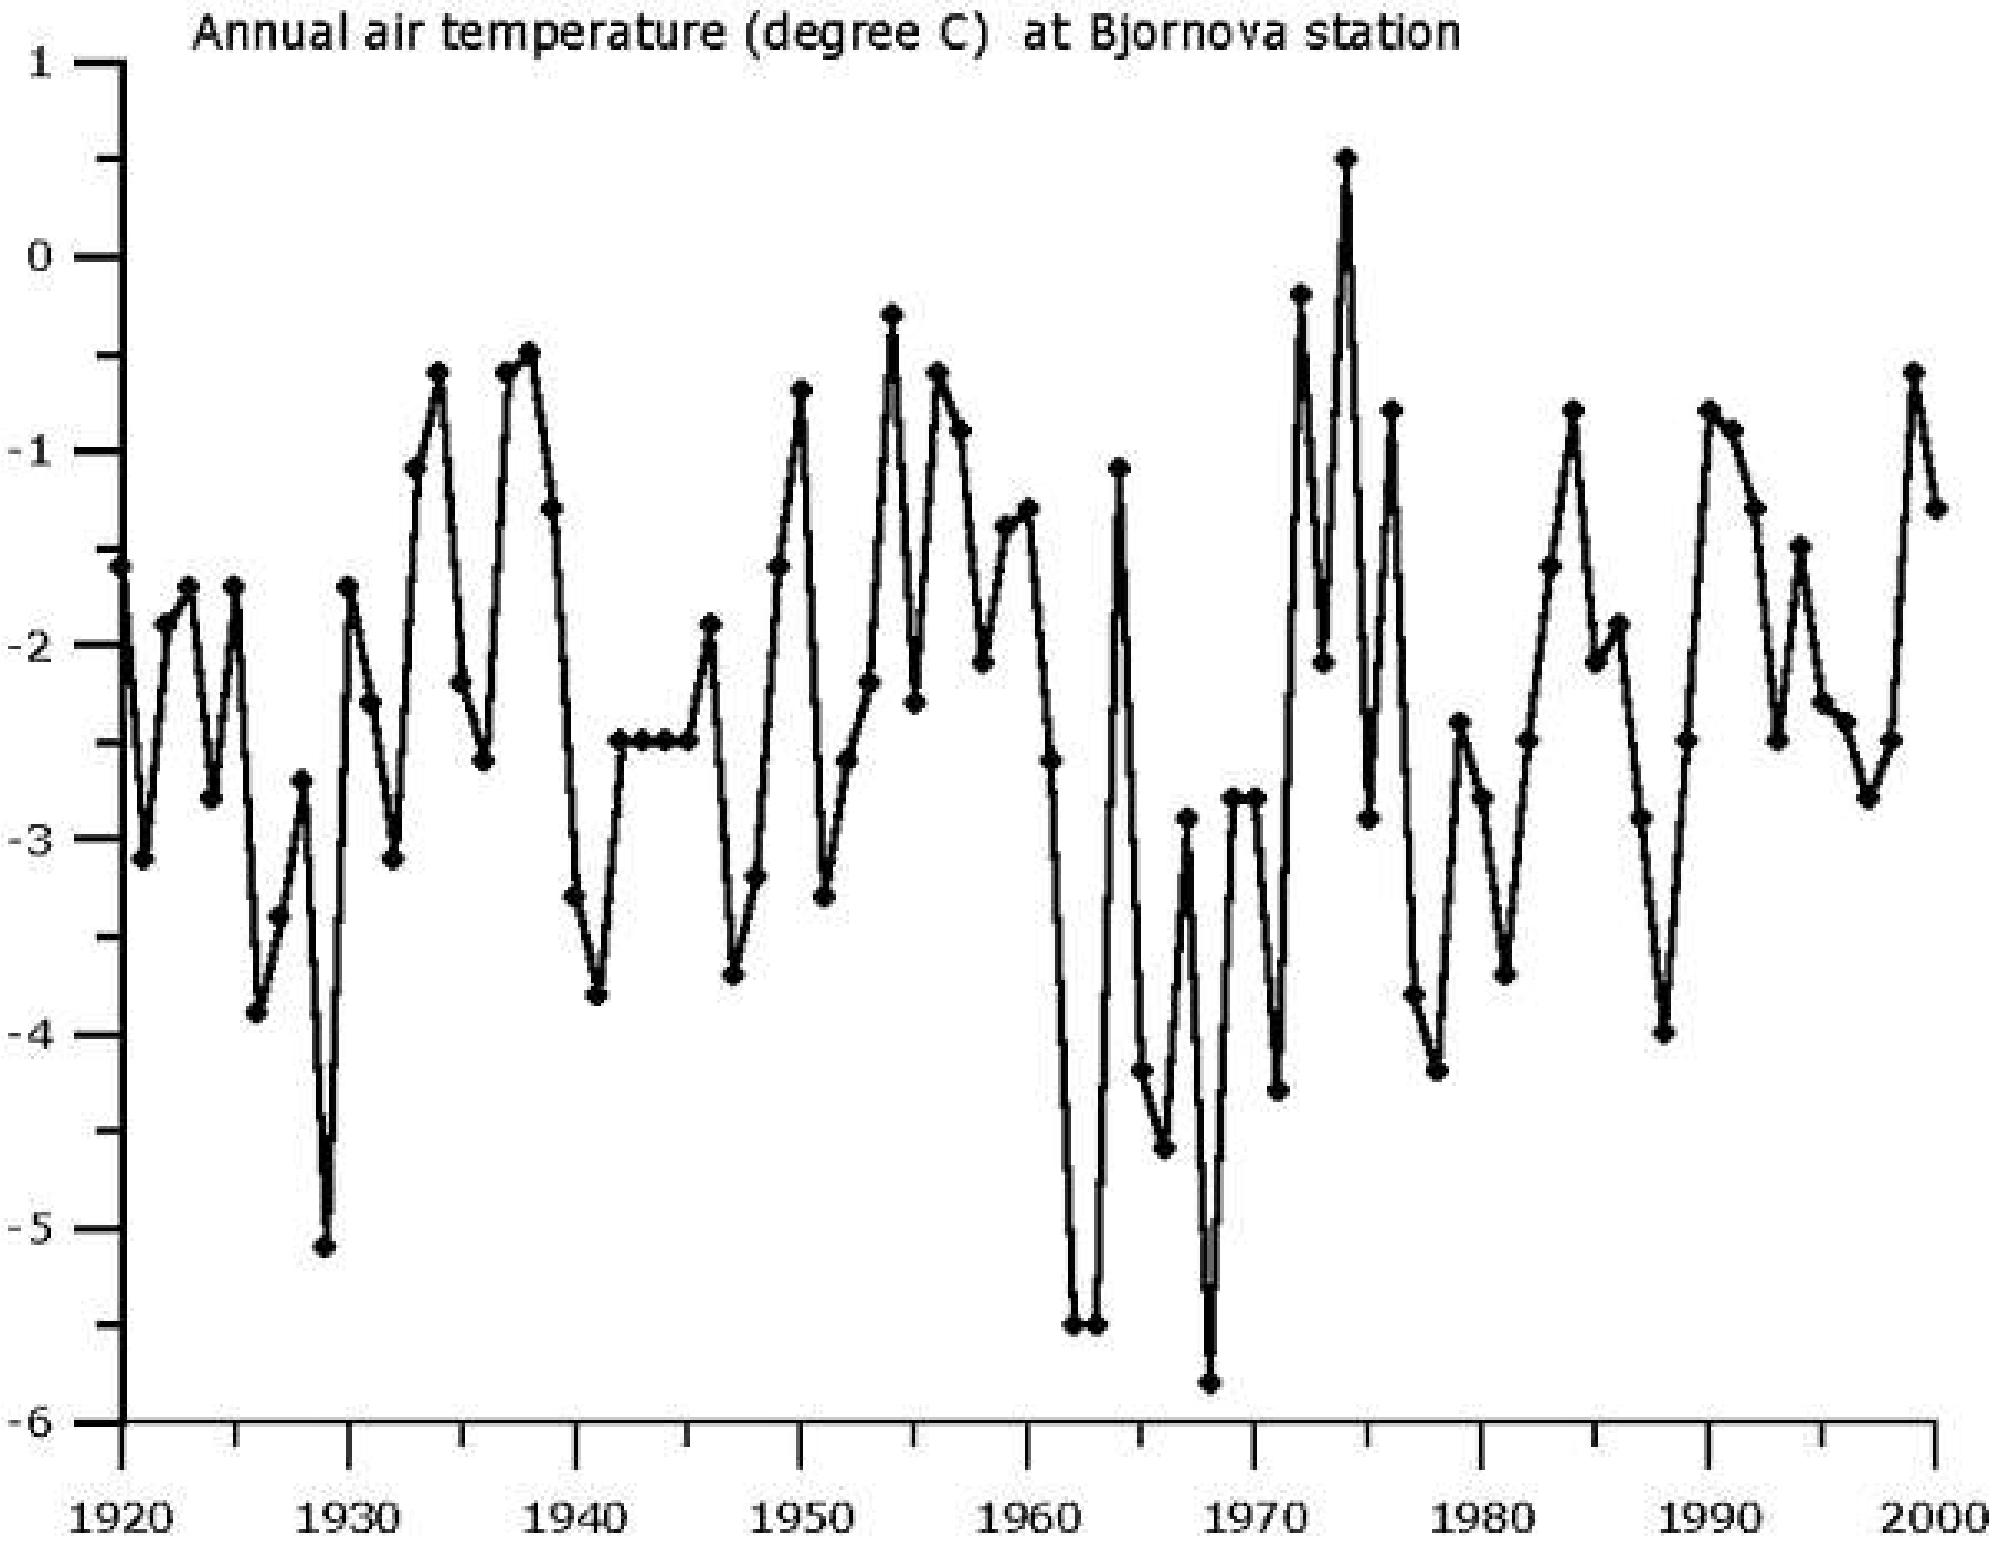

## annual air temperature at Svirista station

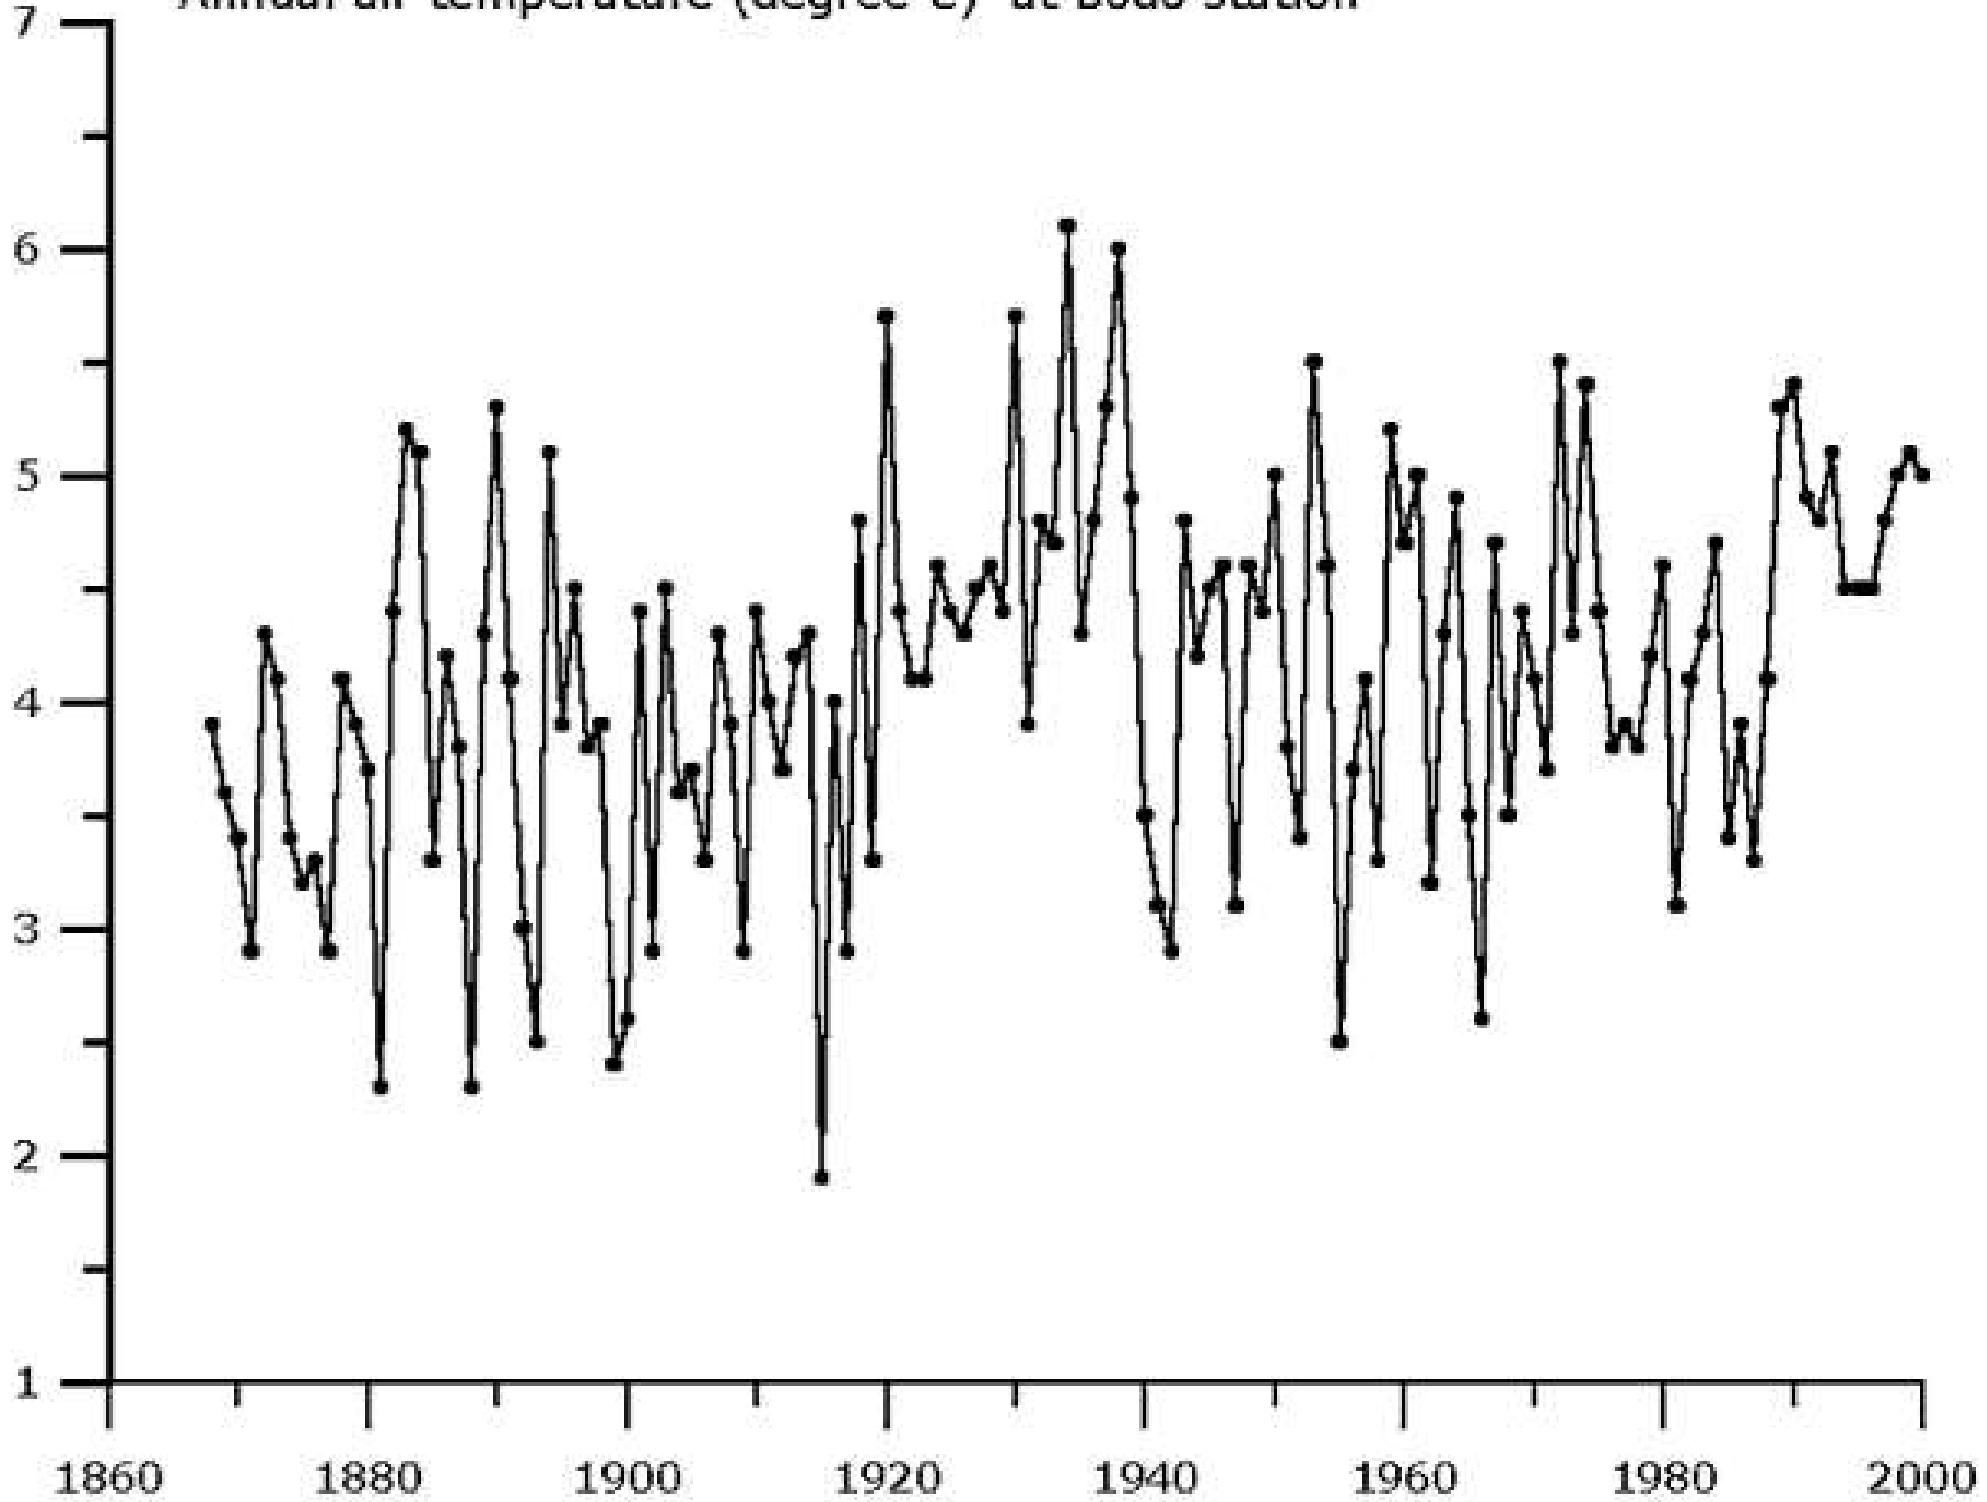

Annual air temperature (degree C) at Jan Mayen station

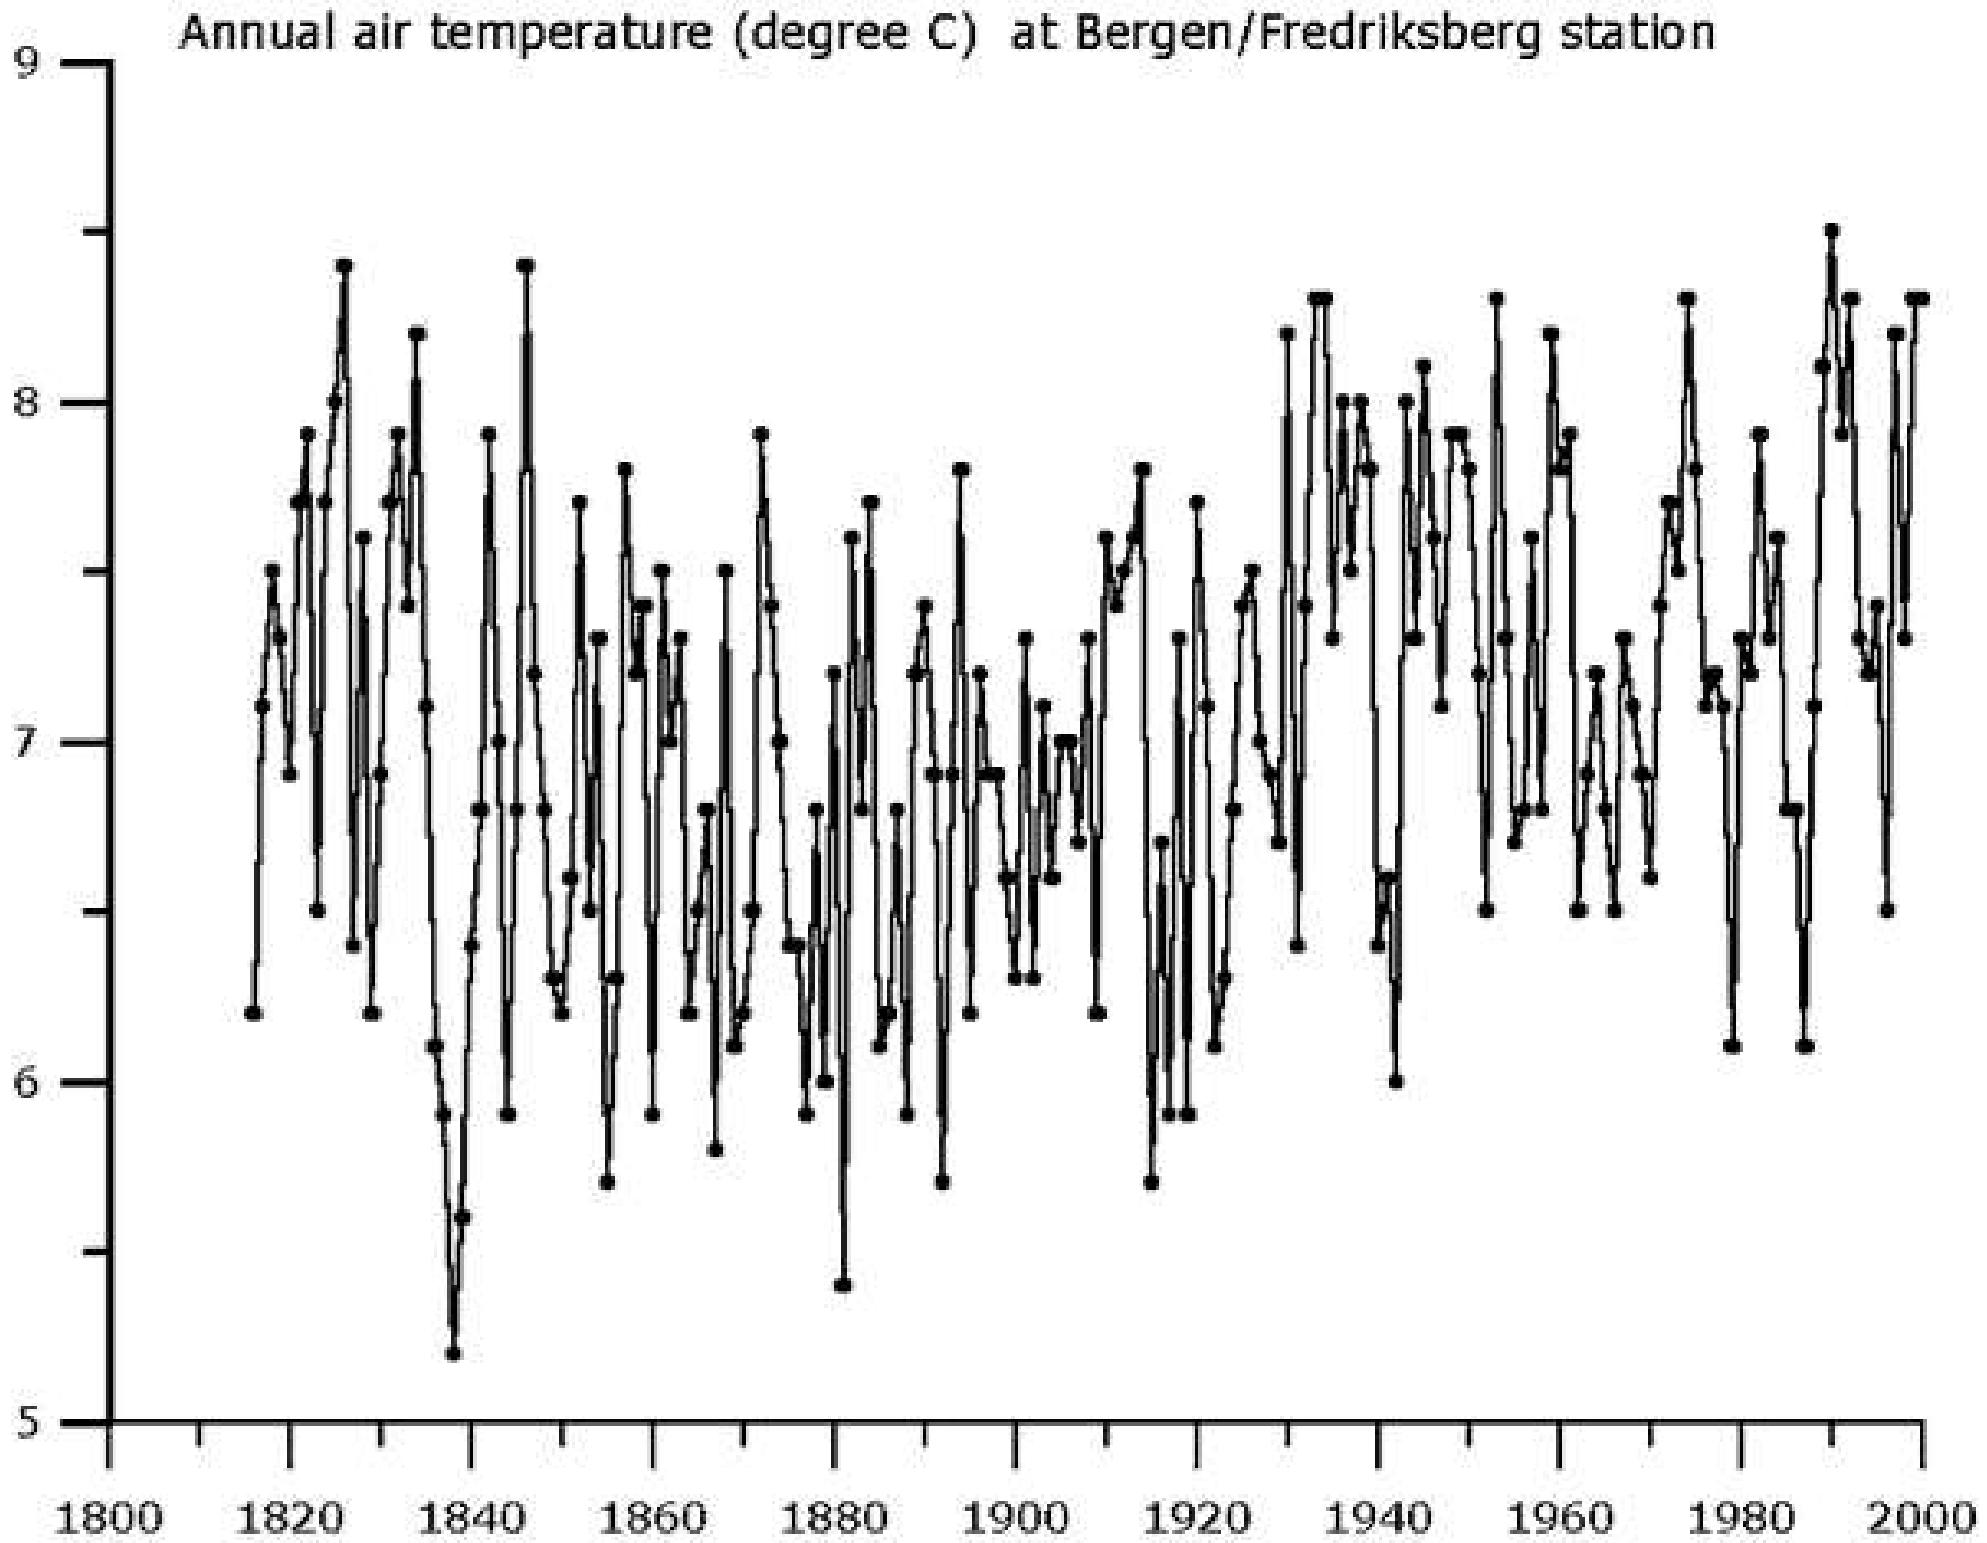

Annual air temperature (degree C) at Bjornova station

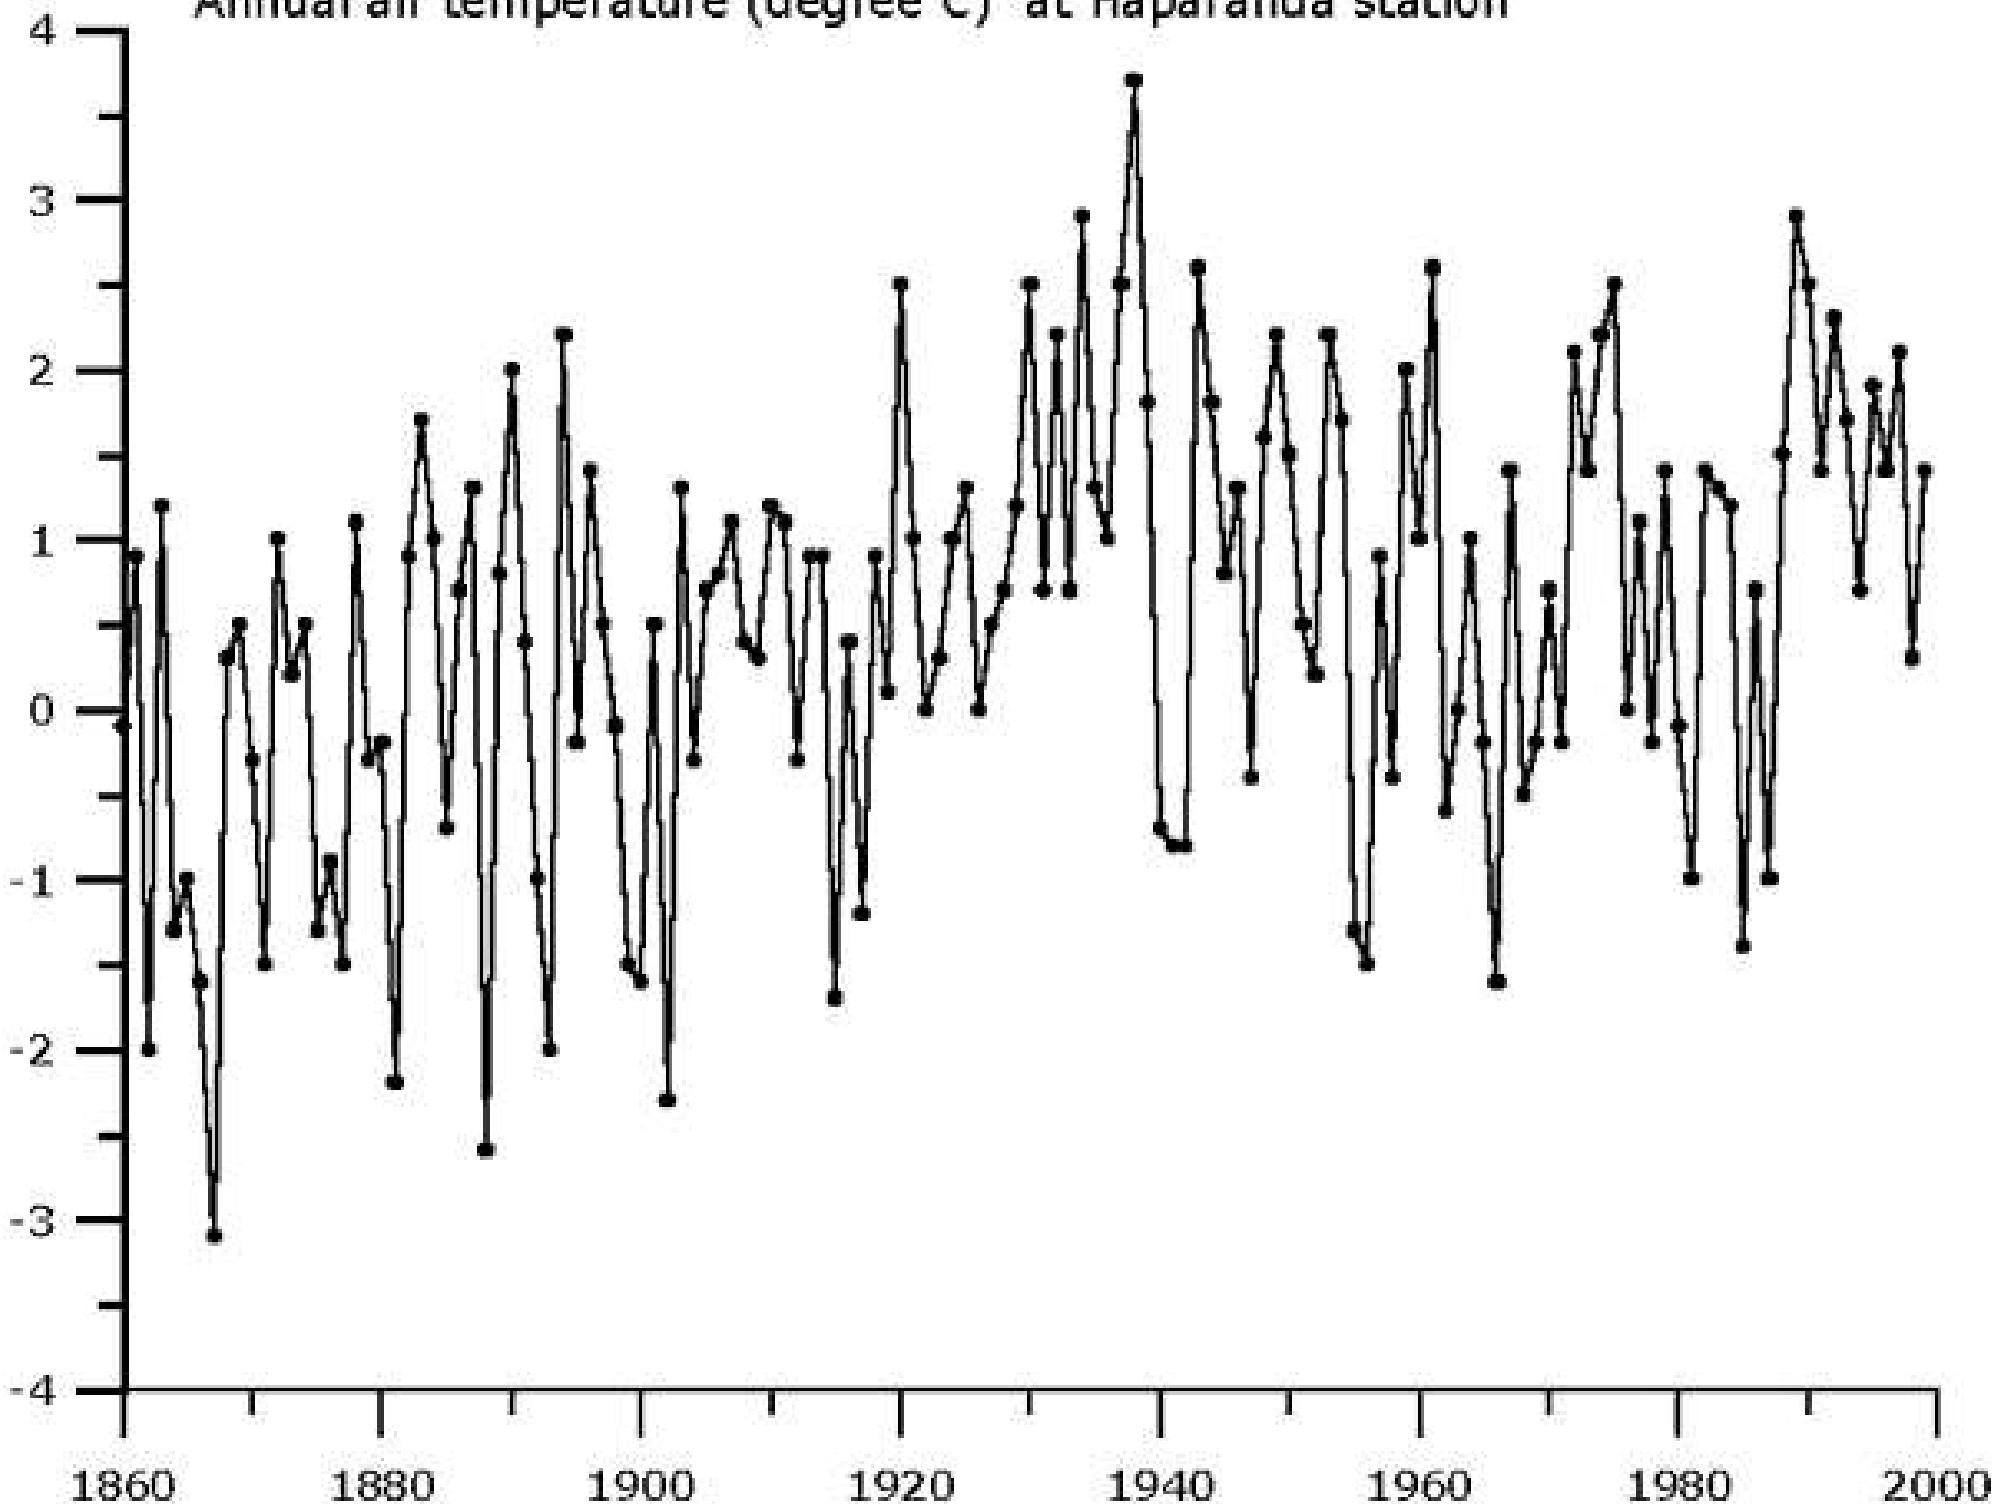

# Annual air temperature (degree C) at Bodo station

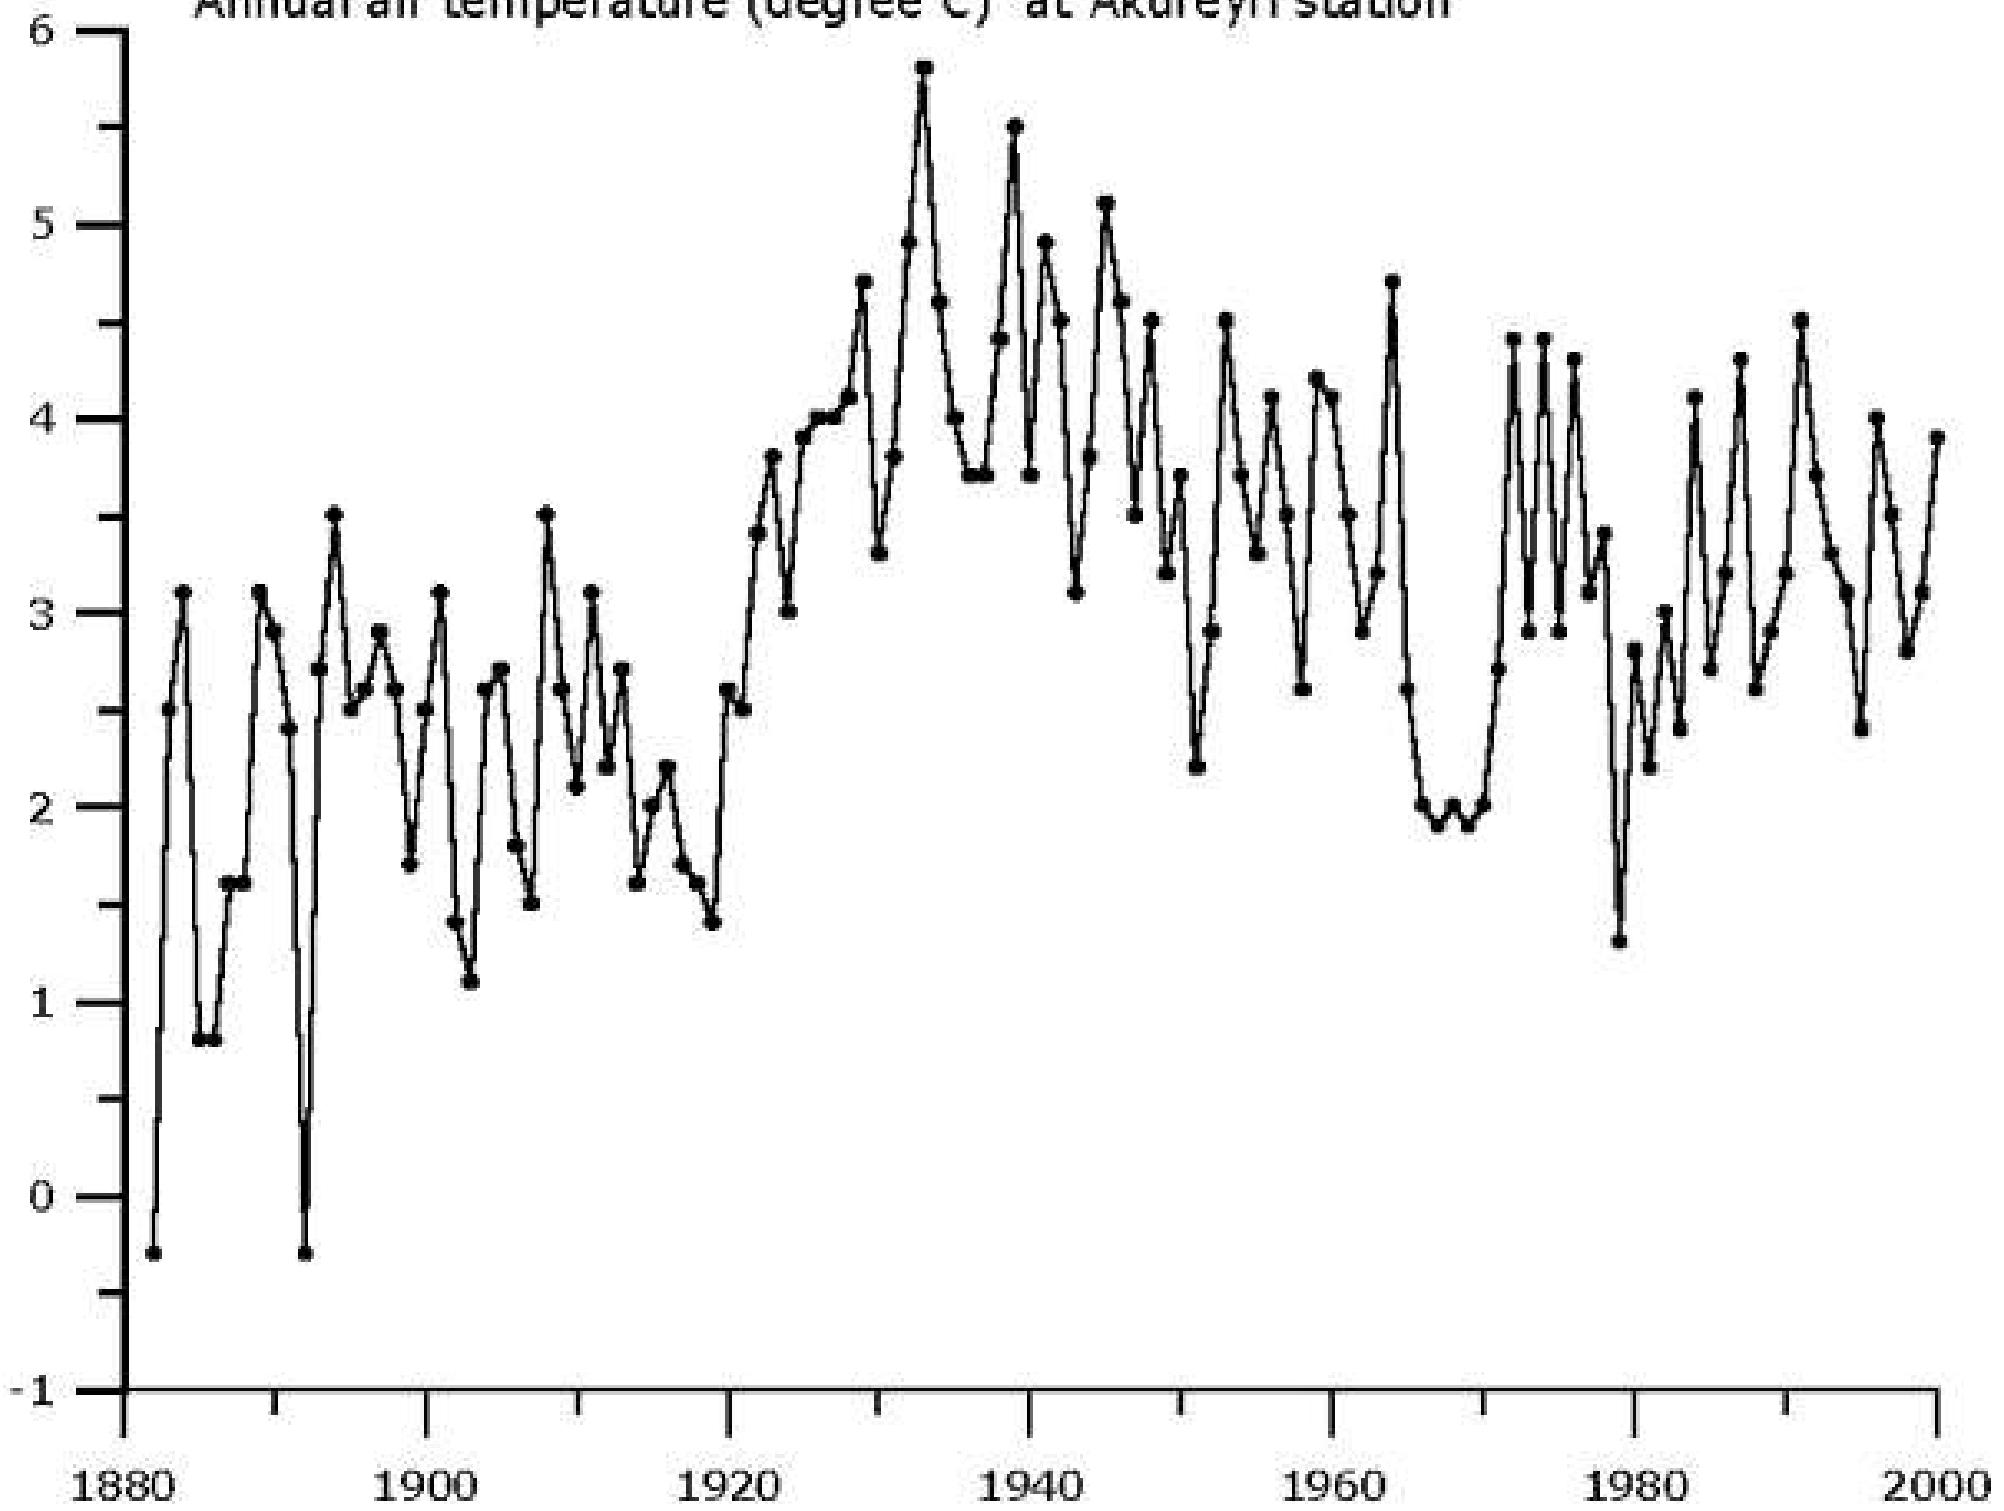

# Annual air temperature (degree C) at Bergen/Fredriksberg station

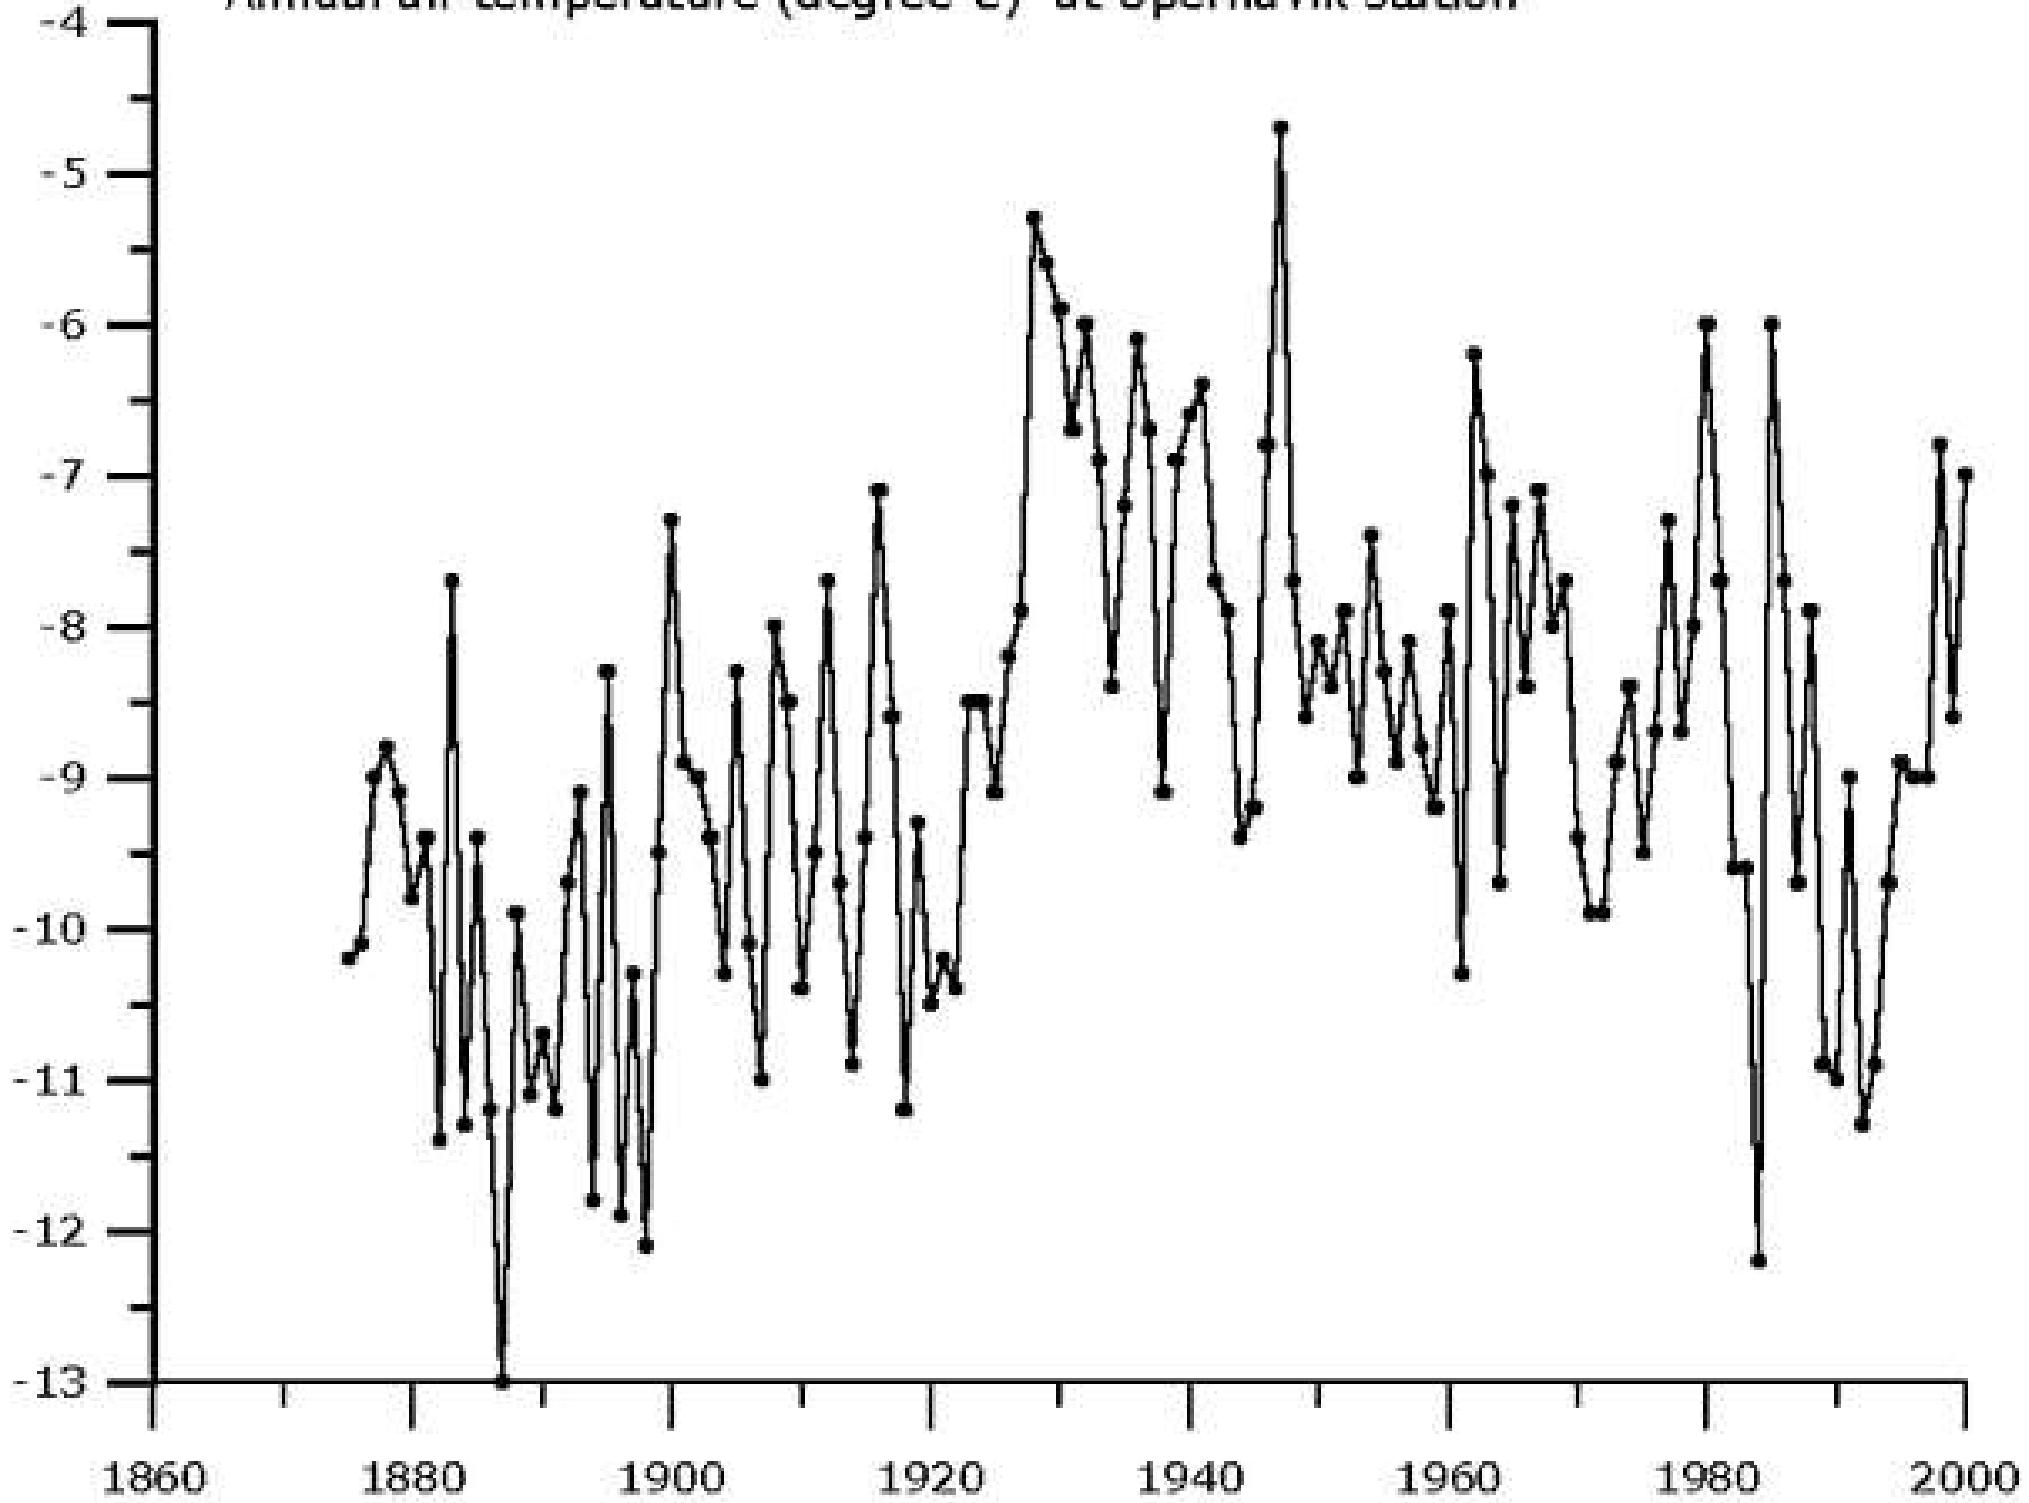

# Annual air temperature (degree C) at Haparanda station
